NOTIFICATION

No.LAD/VC-5/80/141, the 23rd January, '82. In exercise of the powers conferred by rule 2(i) of the Lushai Hills Autonomous District (Administration) of Justice) Rules 1953, as adapted, the Lt. Governor (Administrator) of the Union Territory of Mizoram is pleased to declare the areas within the boundary description given in the Annexure as villages for the purpose of the said rules.

Ch. Thandanga

Under Secretary to the Govt. of Mizoram,
Local Administration, Town Planning and
Housing Deptt.

ANNEXURE

1. LUNGLAWN II - VILLAGE BOUNDARY DESCRIPTION

STARTING POINT : WESTERN SIDE : The boundary line of the Lunglawn II village starts at a terminal point of the area of Chandmary village wherefrom it runs to the west alongside of the P.W.D. main road upto the edge of the precipice just excluding the standing houses above.

SOUTHERN SIDE - It starts at the point of the junction of the BRTF and the P.W.D. roads adjacent to the erected stone of the BRTF, and it runs down from the eastern side following Pu Tara Lui stream upto the other side of Thangte and Chithar villages.

EASTERN SIDE : It starts from Pu Tara Lui at the extreme end of the boundary of Thangte and Chithar villages and goes to the northern side and meets the boundary of Chandmary village.

NORTHERN SIDE : It starts from the point where the eastern boundary line meets the boundary of the Chandmary village and goes upwards along the Falkawn Lui rivulet upto the point where the western boundary has started at Falkawn point and meets the main P.W.D. road, which was the existing boundary line of Chandmary and Lunglawn village in the past before Village Councils were separately allotted.

2. BOUNDARY DESCRIPTION OF SERKAWN VILLAGE

STARTING POINT : NORTH : The boundary starts at a point between Chhimhruta's house and Lalmingliana's house, and thence follows down a rivulet towards the east and catches Lamnai Tuikhurlui. Following the Tuikhur Lui it turns southwards below Serkawn in the eastern side, and contains Melte within it and reaches a point Chawlhmun. From Chawlhmun it goes on the precipice of Saikhalh kham and follows the erstwhile boundary of Zotlang and Zohnuai villages.

3. BOUNDARY DESCRIPTION OF SETHLUN VILLAGE

STARTING POINT : The 18 A.R. Gate between Sethlun and Lunglawn. The boundary starts at the 18 A.R. Gate between the Lunglawn village and the Helipad. Thence it goes straight westwards and catches a rivulet and follows it for a short distance till it reaches a cliff. Following the cliff southwards, the line goes on above Thanghuta's Garden and meets a precipice at the Pawih Luikawr gorge which used to be the boundary between villages of Theiriak and Lunglawn. It then goes along the precipice and catches a rivulet below the Sethlun Grave-yard. Following the said rivulet upwards and towards the east it goes on near Pu Buangthanga's Garden and crosses the approach road to Theiriak. Thence the boundary goes through a narrow pass between two spurs of hill upwards a rivulet flowing between Pu Buangthanga's and Thanzuala's Gardens towards the north. Thence the boundary goes along Pu R.K. Buaia's garden and crosses Mualzen Kawng Road. From there it goes towards the Sipai Tuikhur water point below Pu R. Lianchhawna's and Pu Lawmzuala's Gardens till it reaches the Sipai Tuikhur. From the Sipai Tuikhur it goes straight and meets the starting point at the 18 A.R. Gate.

4. BOUNDARY DESCRIPTION OF LUNGLAWN VILLAGE

STARTING POINT : SOUTH-WEST : The boundary line starts at a point called Thangkawn situated between Lunglawn and Thangpui and follows the nulla eastward till it reaches the Mengpuihui stream. It follows the Mengpuihui stream and catches the line of its boundary with Sethlun village along the nulla, linking the Gate of the 18 Assam Rifles Headquarters. Thence it deviates along the line of its boundary with Sethlun and cuts the Mualzenkawn saddle over Shri R.K. Buaia's garden. Thence it follows the boundary line of Shri R.K. Buaia's garden and joins a tiny nulla till it runs in north-eastward direction and meets the Khuailui stream. Thence it follows the Khuailui stream which enters into the Nghasihlui stream. Following Nghasihlui upward to the source, the line deviates from and along the Sipailui stream. Thence it runs away along the Falkawn Tuikhur water course and catches the line of the village boundary of Lunglawn II. Thence the line follows this boundary southwards and joins the Putaralui rivulet following this rivulet upwards, it passes through the BRTF pillar near Shri Lalthanga's house. Thence the line goes downwards and water westward and catches the Aizawl - Lunglei jeepable Road at the source of the Falkawnlui water course. Thence it follows the jeepable Road southward upto the Mile Post No. 1 of the P.W.D. Thence the line catches the Mauhaklui rivulet and follows it downwards till the rivulet joins the Gurungalui stream. Following Gurungalui climbs over the saddle at One-Mile Post on the Demagiri Road of the P.W.D. Running westward, the line follows the footpath upto the Hualhang-peng saddle and then goes to the Chhekpuui saddle from which the first (nearer) branch of Ruangte stream rises. Along this stream, the boundary line continues to runs

downward upto its confluence with the second branch of Ruangte stream. Thence the line follows the second branch upto the source rising from the Thangkawn saddle, which is the starting point.

5. BOUNDARY DESCRIPTION OF ZOTLANG VILLAGE

Starting point : North :— The boundary starts at the Hridaikawn saddle and goes eastward following a nulla, and catches the source of Khawiva stream which it follows till it reaches Tuipawl stream. Following Tuipawl northward, it goes upto Saikhalh Ram kawn and crosses it, and then catches Pukthiang stream which it follows upto the river Tlawng

EASTERN SIDE : The boundary follows the river Tlawng towards the south and catches Khawiva stream.

SOUTHERN SIDE : Following Khawiva stream, the boundary catches Baptisma stream and follows it. It goes upwards along the boundary line with village Serkawn till it reaches a saddle between the houses of Pu Chhimhruta and Pu Lalhmingliana. Thence it crosses the main Motorable Road near Pu Sangzuala's house. Thence it catches a nulla and follows Saisih steam till it joins Hmawngva stream.

WESTERN SIDE : Following Hmawngva lui towards the north, the boundary catches the Thingtanlui stream which it follows toward the east till it reaches the old Lunglei-Aizawl Bridle Path, Following the Bridle Path, it reaches Kawngthlangtui water point and follows it towards the east and catches the starting point at Hridaikawn.

6. BOUNDARY DESCRIPTION OF THEIRIAT VILLAGE

STARTING POINT : NORTH :— The boundary starts at a point where Nghasihlui stream joins the river Tlawng and follows Tlawng upward beyond the Lungpherlui stream and catches the Tumtuklui stream above Lungpuizawl. Following Tumtuklui upward upto the Khamhuai crevice, it follows the crevice and catches the hill-ridge of Chaptuktlang which it follows at the ridge. It crosses the P.W.D. Road, and follows the same ridge till it catches Vawngzawl at its source where a boundary stone of villages Theiriat and Sairep stands. Thence it follows Vawngzawl and catches the Mengpui stream which it follows upward till it reaches the boundary line of Sethlun. Following Sethlun boundary, it catches a nulla at a crevice below Sethlun burial ground. Thence it goes along Sethlun boundary and crosses a road leading to Theiriat and catches Leisekawt above Shri Thanzuala's garden. Thence it follows a nulla above the gardens of Shri Thanzuala and Shri Buangthanga and catches the source of Khuailui stream which it follows along and deviates along Nghasihlui. Following Nghasihlui stream it reaches the starting point where the stream joins the river Tlawng.
