NOTIFICATIONS

No. FOR. 335/85/41, the 12th August, 1985. The Lt. Governor (Administrator) of Mizoram is pleased to create one new Forest Division to be known as North Vanlaiphai Forest Division under Forests Department with its headquarters at North Vanlaiphai comprising of the existing territorial Forests Ranges, namely, North Vanlaiphai Range, Cherhlun Range, Thingsai Range and Lungdar East Range by curving it from and out of the existing Aizawl Forest Division.

The territorial jurisdiction of this new North Vanlaiphai Forest Division is as follows :

BOUNDARY DESCRIPTION OF NORTH VANLAIPHAI FOREST DIVISION :

NORTH : Boundary starts from river Tuichang at the place where a small stream, the source of which comes out between Tlangpui and Khawhai falls on it. From this point, it follows the said small stream upto a Kacha road between Tlangpui and Khawhai. Then it goes along that Kacha road in southern direction upto Sialhawk, then follows Kacha road in the same direction upto Biate and then to river Tuipui by following a Kacha road. (This forms part of the Northern boundary of Champhai Forest Division).

EAST : The boundary follows river Tuipui, down the stream upto its confluence with river Tiau (upto this, it forms western boundary of Champhai Forest Division). From there, the boundary in the western direction follows river Tiau and goes in the western direction upto a point where Zuva Lui falls on river Tiau. From this point, the boundary follows river Tiau and goes in the southerly direction upto a place where the river Tiau meets with the river Kolodyne.

SOUTH : The boundary follows river Kolodyne down the stream upto a point where river Tuichang falls in it, i.e. South-east of Hnahthial village.

WEST : Boundary follows river Tuichang upto the starting point of the northern boundary.

Ranges and Beats under North Vanlaiphai Forest Division are in the ANNEXURE A,B,C,D & E

The North Vanlaiphai Forest Division shall be deemed to have come into being with effect from 17th May, 1985. This issues with the concurrence of Finance vide their U.O. NO. FIN.104/85 dt. 30.4.1985.

S.K. Sharma,
Secretary to the Govt. of Mizoram,
Forests Department.

A N N E X U R E - B

BOUNDARY DESCRIPTION OF NORTH VANLAIPHAI RANGE :

NORTH : Boundary starts from a place where small stream Thurlui that comes from the jurisdiction of Thinglian Village in the north falls on river Tuichang. From there, it goes in the eastern direction, following

Tuichang river up stream upto a place where the river Tuichang takes its turn towards the east and then on the North, which is at a point, where a small stream meets river Tuichang. From there, the boundary goes a small stream upto its source on the saddle between Lungdar and Mualcheng Villages. From there, the boundary goes in the eastern direction, following Zuva Lui down stream upto its meeting point with river Tiau. (This forms part of the southern boundary of Sialhawk proposed Range).

- EAST :** Boundary follows river Tiau down stream upto its meeting point with Buhchhun lui. From there, boundary follows Buhchhun Lui upto its source, from there, it runs along Khawhri-Cherhlun inter village foot path and follows the foot path upto a saddle where a small stream is having its source. From there, it follows a small stream upto its meeting point with river Kolodyne. (This forms a part of the western boundary of Cherhlun and Thingsai Ranges).
- SOUTH :** The boundary goes along the Kolodyne river upto its confluence with Tuichang river.
- WEST :** Boundary follows Tuichang river upstream till it meets the starting point of the northern boundary of North Vanlaiphai Range i. e. a meeting point of Tuichang and Thur Lui.

A N N E X U R E - C

BOUNDARY DESCRIPTION FOR CHERHLUN RANGE

- SOUTH :** Starting at the confluence of Tuizawl and River Tiau it follows Tuizawl Lui up stream and crosses Thingsai-Cherhlun inter village on its junction point with Thingsai-Hnahthial inter village foot path. Then the boundary line runs north-east and follows Tuiphai Lui till it reaches Cherhlun-Khawhri inter village foot path, and runs eastward along the said foot path till Khawhri village. Then it catches Khuailui main stream at its source and follows downward till it reaches River Tuichang.
- WEST :** Starting from the confluence of Khawhri lui and Tuichang river the boundary line runs northwards along Tuichang river till it meets Aizawl-Lunglei inter District boundary.
- NORTH :** From there the boundary follows Aizawl-Lunglei Inter District boundary towards eastern side till it meets river Tiau.
- EAST :** From the above meeting point the boundary runs along Tiau river (i.e) International boundary between India and Burma southwards and it meets the starting point i.e. the confluence of Tuizawl and river Tiau

ANNEXURE - D

BOUNDARY DESCRIPTION FOR THINGSAI RANGE

- SOUTH :** The boundary line starts from the confluence of River Tiau and Chhimtuipui, following River Chhimtuipui down stream (i.e. North Eastern direction) till it reaches the confluence of River Tuichang and Chhimtuipui.
- WEST :** Then, the boundary follows River Tuichang upstream (i.e. Northern direction) till it meets the confluence of Khuailui and Tuichang River.
- NORTH :** Then from the above meeting point, the boundary runs along Khuailui upstream till Khawhri village. Then, it runs along Khawhri-Cherh-lun inter-village footpath till it reaches Tuiphailui. Then it follows Tuiphailui upstream till it reaches Cherh-lun-Thingsai road. Then it follows the main stream at Tuizawl lui and runs along the stream till it reaches the River Tiau.
- EAST :** The boundary line starts from the confluence of Tuizawl lui and Tiau River and runs southward along Tiau River (i.e. International boundary between India and Burma) till it reaches the starting point (i.e. the confluence of River Tiau and River Chhimtuipui).

ANNEXURE - E

BOUNDARY DESCRIPTION OF LUNG DAR 'E' RANGE

- NORTH :** Boundary starts from river Tuichang at a place where a small stream, a source of which comes out between Tlangpui and Khawhai falls on it. From this point, it follows the said small stream upto a Kacha Road between Tlangpui and Khawhai, then goes along that Kacha Road on southernly direction upto Sialhawk, then follows Kacha Road on the same direction upto Biате and then to river Tuipui, by following a Kacha Road (This forms part of the western boundary of Champhai Forest Division)
- EAST :** Boundary follows river Tuipui down stream upto its confluence with river Tiau. From there, the boundary follows river Tiau on the western direction upto its meeting point with Zuva Lui.
- SOUTH :** Boundary follows Zuva Lui upstream upto saddle between Mualcheng and Lungdar (E) villages. From there, it goes in the northern direction, following a small stream upto Tuichang river. (This forms northern boundary of North Vanlaiphai Range)
- WEST :** Boundary follows river Tuichang upto starting point on the North.
