NOTIFICATION

No. A-22020/1/82-SC the 24th October, 1985. The Lt. Governor (Administrator) of Mizoram is pleased to order the creation of the Thingsulthliah Soil Conservation Range with its Headquarters at Thingsulthliah under the Aizawl Soil Conservation Division, Mizoram.

BOUNDARY DESCRIPTION OF THINGSULTHLIAH SOIL CONSERVATION RANGE.

The Thingsulthliah Soil Conservation Range is curved out from the following 3 (three) Soil Conservation Ranges - such as Durtlang, Darlawn and Khawzawl Soil Conservation Ranges having an area of 898 km². equal to the existing area of Thingsulthliah C.D. Block.

The boundary line starts from the confluence of Tuirini River with Tuirial River West of Khawruhlian village by following Tuirini river upstream which is also the common boundary line of Kolasib and Aizawl (s) Sub-Division in a south-easterly direction upto the confluence of Inran Lui. It then follows Inran lui upstream in easterly direction following the common boundary line of Kolasib and Aizawl (s) Sub-Divisions upto Tuivawl River at North East of Lungpher village. The boundary line again follows Tuivawl River upstream which is also the common boundary line of Champhai and Aizawl (s) Sub-Division till it meets the point at Tuivawl river which is the common boundary line of Thingsulthliah and Serchhip C.D. Blocks at South east of Maite village. It then follows the common boundary line of the above two C.D. Blocks in a westerly direction till it meets the Tuirini River at North-east of Chhingchhip village after following Tuirini River for a few kilometers downstream in northerly direction, the boundary line meets the inter-village boundary line of Chhingchhip and Baktawng. Thence, the boundary line follows the inter-village boundary line of the above two villages in westerly direction and passes the Aizawl-Lunglei National Highway till it meets Mat River. It again follows Mat River downstream in southerly direction till it meets the meeting point of inter-village boundary of Chawilung and Lamchhip, Thence, it again follows the inter-village boundary line of the above two villages in north-westerly direction till it meets Tuirial River. Lastly, it follows

Tuirial River downstream side in northerly direction till it meets the starting point.

AMENDMENT OF BOUNDARY DESCRIPTION TO THE FOLLOWING EXISTING SOIL CONSERVATION RANGES :—

1. DURTLANG SOIL CONSERVATION RANGE :— The boundary line of Durtlang Soil Conservation Range is amended as follows :—

(i) Its boundary line is same in the northern, western and southern sides excepting in the eastern side where it now borders with Thingsulthlah Soil Conservation Range at Tuirial River.

(ii) The eastern region between Tuirial and Tuirini River which had been previously under this Range has now been given to the Thingsulthlah Soil Conservation Range. The Durtlang Soil Conservation Range is now confined only to the two C. D. Blocks namely Tlangnam (s) and Aibawk having an area of 1182 km sq.

2. DARLAWN SOIL CONSERVATION RANGE :— Its boundary line is amended as follows :—

(i) Its boundary line is same in the western, northern and eastern sides excepting in the southern side where it now follows the common boundary line of Kolasib and Aizawl (s) Sub-Divisions.

(ii) The southern region which only includes Tualbung Village which had been previously under this Range has now been given to the Thingsulthlah Soil Conservation Range.

(iii) The area of Darlawn Soil Conservation Range has now been confined only within Darlawn C. D. Block's jurisdiction having an area of 712 km sq.

3. KHAWZAWL SOIL CONSERVATION RANGE :— Its boundary line is amended as follows :—

(i) Its boundary line is same in the northern eastern and southern sides excepting the western sides of Tuivawl river which are both given to Thingsulthlah and Serchhip Soil Conservation Ranges respectively.

(ii) The new boundary line in the western side will then follow the common boundary line of Champhai and Aizawl (s) Sub-Division which is also the common boundary line of Thingsulthlah, Serchhip and Khawzawl C.D. Blocks and Soil Conservation Ranges respectively at Tuivawl river.

4. SERCHHIP SOIL CONSERVATION RANGE :— Its boundary line is amended as follows :—

(i) Its boundary line is same in the western, southern and eastern sides excepting in the northern side where it now borders with Thingsulthlah Soil Conservation Range following common boundary line of Thingsulthlah and Serchhip C.D.Blocks.

(ii) The Serchhip Soil Conservation Range will now include the following villages such as Chhingchhip village which had previously been under Durtlang Soil Conservation Range and village of Hmuntha and Rullam which had been under Khawzawl Soil Conservation Range.
