**SPEAKER:** Before taking up question, let me say about instruction for members regarding questions. Supplementary questions are of great importance. Again, question hours are like outlet for members to speak their grievances as public interests. So, it is very important to use that valuable time correctly. As I have said in the former sessions, supplementary question are to be relevant. For example, say, a reply was made to a question like, "Does the Govt? knew that four passengers were killed in motor accident at Gaizel?".
