SPEAKER:

" A man shall not be established by wickedness; but the root of the righteous shall not be moved".

Since there is no business for Item No.1 we shall move on to Item No. 2 for the discussion on the motion moved by the Revenue Minister regarding "Trading by Non-Tribals (Regulation) Bill, 1974". In the Bill, some Members have proposed amendment and let us try to explain thus - In clause 15, sub-clause 3 at page 9 - "Every rule made under this Section shall be laid, as soon as may be after it is made, before the Legislative Assembly while it is in Session for a total period of thirty days, which may be comprised in one session or in two successive sessions". There is a slight mistake when we referred "30 days total period" for a maximum period. Whenever the word "Total" is written in any Act and if the period has been specified, then the period so specified should be completed. For example - if the government placed such rule on the Table for four days only, then that rule will have to be placed for another 26 days in the next session, if 30 days is written.
