(3) General Discussion on the Budget for 1979-80.

SPEAKER : In the multitude of the People is the
king's honour: but in the want of
people is the destruction of the
prince. He that is slow to wrath is of great understanding
but he that is hosty of spirit exalted folly. A sound
heart is the life of the flesh: but envy the rottenness of
the bones. He that oppreseth the poor reproveth his m
Maker: but he that honoureth him hath mercy on the poor.
The wicked is driven away in his wickedness: but the
righteous had hope in his death. Wisdom resteth in the
heart of him that hath understanding: but that which is in
the midst of fools is made known. Righteousness exalteth
a nation: but sin is a reproach to any people. The king's
favour is toward a wise servant: but his wrath is against
him that causeth shame.
