: Mr Speaker, Sir, I would like to know the requirement of food grains the food stuff in Mizoram. The productions from within that state and what is the additional requirement from outside the state. Can the Hon'ble Minister and gives us the figure right now read not by tomorrow the after because until now the Department of Agriculture has been working variously to make the state self sufficient in food grains. It also appears that many hectares of land has been developed. still the requirement of food stuff is increasing. We are relying more on the supply of food stuff from outside.

I would like to know what is the present position what is actual requirement what is Local production here ? I think that will be more enlightenment on the subject.

Pu Speaker, the actual requirement of this State in the Local production, I think Minister should kindly inform us.
