45. I am happy to note that all Central Agencies located in Mizoram have been extending their wholehearted support to all our endeavours. In this regard, the initiatives taken by the Department of Telecommunications (DOT) and the Bharat Sanchar Nigam Limited (BSNL) in Mizoram to improve the telecommunication facilities in the State are particularly noteworthy. I am confident that we shall continue to receive their active support.

46. I take this opportunity to reiterate that my Government will continue to strive relentlessly to fulfil its programme and policies for the welfare of the people of Mizoram, whatever the odds. I am confident that with your unflinching support and God willing, we shall achieve our goal of ushering in a new era of accelerated development. I trust that your deliberations during this Session will bear eloquent testimony to these commitments.

47. I wish your deliberations all success.

Thank you,

Jai Hind.
