PU NIRUPAM CHAKMA : Mr Speaker, First of all I would like to go to demand No. 31 District Council. It seem then 160 lakhs is being provided at the Supplementary grants for grant-in aid in three District Council for the Salary Mr. Speaker Sir, in the General Discussion I have mentioned that the three autonomous Council C.M., E.M, Chairman and the Members of the District Council are drawing revised salary but the Govt. reply is that there is not official report receive by the Department on drawal of salary and allowances by the council at the revised by the councillors at the revised rates. I would like to point out even last year I had mentioned in this House about the truth of revised salaries by the three Autonomous District Councils, Councillors, the CEM, EM in the revised rate. Why the Govt. is hiding the truth. Now, (Speaker alo tawng) Supplementary a lawm hei hi, there is insedequency in the salaries for the three District Councils that the provision had to be made upto the June of 160 lakhs. Mr Speaker Sir, secondly I had also mention my point was not clariffied the Hon'ble Chief Minister in the wind up. That we are found that the substantial amount is provided in the School Education Department for the Non-Lapseable pool of Central resources. In the Assembly Question it was stated that Rs. 10 crore is about to release Mr Speaker Sir, so far as our information good that this money was received during June, July of last year why this money was not would like by the govt. and now at second end of the financial year the government insist to preview utilization certificate by the Department. I would like to know why this money was not use utilise so far and why and second end of the year without constructing the school building that would like the certificate is being insisted. to be submitted the Govt. of India.
