a. Before I speak to
the demand I would like

to convey my sincere thanks to the Hon'ble Minister i/c Prison and Tourism Department for visiting Tlabung in the beginning of this year. He has personally visited the Constuction work of Tourist Lodge at Tlabung and building constructed for Sub-Jail. It is under his destruction that approach road to Sub-Jail has been completed. I would be grateful if necessary steps is taken for immediate functioning of these Department like opening Tourist Lodge at Tlabung and opening of Sub-Jail at Tlabung which will greatly help for maintaining Law and Order at Tlabung.

In regard to Demand No. 21 Many have Spoken has open regarding the Law Colleges here in Aizawl specially Aizawl Law Colleges which has become very old if any one of this Colleges is upgraded into deficit system, it will be a great helpful for the up coming student. And in regard to Demand No.36 my previous Speaker has spoken regarding the loss of huge royalty in regard to the Bamboo Mahal. Still we can see in the both side of the road my teaks is lying even in Tlabung also. If no immediate action taken we are going to lose huge amount of money. And at Tlabung, the department has remained function loss due to non availability of money. I would be grateful if the Hon'ble Minister provide, sanctions to the Forest Department at Tlabung, Thank you.
