PU NIHAR KANTI CHAKMA : Pu Chairman, ka lawm e. Hei Demand sawihona Department zinga pawimawh ber ani a. Hei Agriculture hi Pu Chairman Still I remember what I studied in the Colleges and the Schools whenever Prime Minister Speaks, he speaks on behalf of Nation on behalf of the Government and on behalf party.

So also whenever Chief Minister he speaks on behalf of the Government, on behalf of the party, As we seen after the formation of MNF Ministry. The people of Mizoram still remember Hon'ble Chief Minister has said, "Kumthum chungin ei leh bar kan intodelh tir ang. Chief Minister hmasate khan ei leh bara intodelh hi an ngaih pawimawh loh avangin Agriculture portfolio hi an chelh ngai lova. Kei hi chuan intodelh hi ka ngaih pawimawh deuh avangin Agriculture leh Horticulture ka laksek ani. That if we see, the prevailing condition, we are far far behind the expectation still now even after the Completion of five years we couldn't achieved that target. Some time I think that hei tun Sorkar hian Tlabung'ni a ngaipawimawh lo a nih hi ka ti thin a. A chhan chu Tlabung area is having the potentiality of developing agriculture. There is a lot of W.R.C. land but the department has not come forward. Most of the farmers are very poor, the department has not initiated any plan, any programme, any action, so how can we achieved. I have personally visited each & every villages within my Constituency, the Condition is very horrible they will die out of hunger. If we could have achieved the self sufficiently in food this problem would not have been arisen Hei hi thil pawl tak a nia, if we dont have Motor we could some how managed but if we don't have food we could not managed more than 2 days we will die, but this Ministry did not take any step to improved the agriculture office at Tlabung is very horrible, It is a sub-Division. There is only two staff, if I had not mistaken only one S.D.O and there is only one Agriculture demonstrator, he has also been transfer. And there is only Agriculture Office at Tlabung. And one more things, this is very serious during the last session I have asked the list of beneficiaries. They have given but out of this 19 people did received the MIP beneficiary.

Now, it is ... whom to blame ? Opposition always does want to criticise the government-But when government does good thing we appreciate but in-case if does a wrong thing we have to criticise now to whom I should blame, out of this 379 MIP beneficiary. In Tuichang within my Constituency, 19 people did not get the beneficiary.

. It seems that, hei sessiona min pe ani a. Chuvangin, he House zahlohna hi ani ah ka ngai dawn ani. Chuvangin, he thil hi a serious lutuk, In case, if they don't get, I will treat this House zahloh na ani a. I have given a copy to the concern BDO to look into the matter. Kan Chief Minister a awmlova a pawl khawp mai. Thil pakhat sawi ka duh chu Tlabung Bazar lunlai ah mi tamtakin an bawn sawi a. Regarding to the Border Trade. Kan hma lawk MLA inthlan awm tur ah hian MNF Party kan chak chuan an thil tum pawimawh ber zingah Bangladesh nen insumdawn tawna (Border Trade) hi kan dah ang an ti a.

Sorkar kan siam anih chuan kan hna hmasa berah kan nei ang. Tlabungah kan lokal leh chuan 5 star Hotel ah ka thleng ang ati a. Kan Chief Minister hi Tlabung lokal se 5 star Hotel ah chuan riak se ka duh khawp mai.

This is his statement. But when he become the Chief Minister even after completion of 5 Years no a single time he have not visited Tlabung. Apawi hle mai. Vote duh vang a hetiang tawngkam chhuah hi a pawl hle ani.

Chuvangin if we see in regard Border Trade. I Support the speech of a Hon'ble Member from Hnahthial Constituency. If we see they have not developed this area, but if we see practically we imports thing from Burma side but we export things from Bangladesh we should see from which side we are benefited. But here nothing is developed. In regard to Border Trade nothing is there only in paper only I have not seen any thing we have not seen any thing. Hon'ble Minister already inaugurated the road to Kawrpui chhuah. But now in rainy season it is not motorable we cannot go to Kawrpui chhuah now. The road has already damage and we have to look after. very carefully each side will benefit the people of Mizoram. Bangladesh side we can export Bamboo ginger and may other things we can export we are taking something from Burma side, we import things. Even then Border Trade with Bangladesh did not get any important are One more I want to speak out here in regard to the Kawrpui chhuah. I have received a complain the people of Kawrpui chhuah.

The Trade and Commerce Department wanted to evict the people and wanted to Construct Border Trade Office in the residential area, without giving any Compensation, How can you do that? It is unjustified. To construct office there are many vacant land, where we can construct building for office. But you cannot construct in the residential area. The people are living there for more than centuries. I am representing that Constituency know the right thing we cannot do just like that. Therefore, I request not to do such thing which is against the wishes of the public. Pu Chairman ka lawm e.
