This is the last Budget of the MNF Ministry in 1998 General Election of Mizoram Legislative Assembly MNF & MPC election alliance placed joined Election Manifesto before the people of Mizoram. At the long 10 years of vote of Congress 1989-1998 the people of Mizoram...that alternative. The Govt. of MNF and MPC coalition might give them better of affortment, in administration. However, we all know the MNF and MPC condition Govt. did not last MNF after getting simple majority in the Assembly, coalition partner MPC from the Ministry. The people of Mizoram had been treded and mended of the people. Thereafter MNF ran the Ministry of single for four year. Pu Speaker, it will come to the end of this term of present Ministry the end of the Budget discussion today. I would like to placed some fact in this House.

: Pu Speaker in the previous why I have said all these points to justify at the Government of today the

MNF Ministry stated with a sound footing right from the beginning in 1998. But I am against today to find that due to their inefficiency and lack of vision. The Government of today have not development process destructed by the Congress previous Government.

Therefore, I would like to justify that construction of Lengpui Airport and survey and investigation of Khawzawl and Mampui. When Airport was done during the Congress Government. State Road project was prepared by the Congress Government. Now, it is implemented and we are happy.

Pu Speaker, almost 90% of the villages were covered by motorable road, many important roads were Black topped and metalled. Pu Speaker, as many as 37 were constructed upto Zokhawthar Black topping road was constructed. Due to the persuasion of the Government of Mizoram, the Govt. of India of Myanmar for inland water transport to Kolodyne. National Highway 54 constructed by the BRTF was due to the persuasion of the previous Chief Minister National Highway was moved to the Government for approval with consideration with Myanmar and Tripura which was ultimately done. Pu Speaker, in power sector Tuirial Hydel Electric Project 60 MW 420 crore foundation was laid by the Congress Government had by the Congress Chief Minister. Pu Speaker, Tuivai Hydel project 210MW Techno-Economically arranged was given on 25.10.92, I'll make short cut.

PU NIHAR KANTI CHAKMA : Pu Speaker, ka lawm e. First of all I would like to speak about Demand No. 19 - Local Administration. Pu Speaker, here, I would like to express my deep dissatisfaction. Over the illegal deletion of, I must say Congress voters from V/C Electoral Roll hi chu a paw khawp mai. I would like to know. Minister must clarify why, only Congress voters are deleted from the electoral roll. Draft Roll ah hming awm baw si, MLA roll-ah pawh awm baw si, engvang nge V/C roll atangin an paih ringawt. Eng dan nge a hman? They had make a complain and objection also I had also made a many complain to the concern authorities why on what ground. The Government deleted my voters In this is Kalayapani, Village, Congress voters more than 60, have deleted without any reason. They made a complain even objection, they have submitted a claim also Still the Department did not give a patient hearing. This is quite unjustifiable, it will bring a bad precedent. That is why I support the Hon'ble member who have said this Ministry has rape democracy where is the democracy? Mahni duh duha tih chu a theih loh a paw khawp mai hei hi chu. Very serious issue. He must clarify in this House. And there is also saying at the D.O Office MNF V/C nih loh chuan Development pawh a dawng thei lovang. A paw khawp mai. This is a Democracy, any party can form the Government. If we follow this, think it is hamper that development of Mizoram. And in regard to the

General Administration Department as we all know Tlabung Town, it is the oldest town and oldest S.D.O in Mizoram. There is no S.D.O., there is no S.D.O. The S.D.O. has been transferred and B.D.O. of Lungsen has been entrusted to look after Civil Sub-Division of Tlabung, how all these things happen Lungsen atangin Tlabung hi engtin nge a kawp theih ang, hmun khat pawh a ni si lova. This is not justiceable. That is why this un-justice. Under this Ministries Tlabung Constituency is the most neglected part of Mizoram. No development works has been taken place. Mipui hnenah pawisa a thleng ngai lo reng reng a ni. Border trade has excluding, that is centre Govt. sponsor scheme. Pu Speaker, khawngaihin min lo tibuai suh se. Chuti lo chuan keini pawhin kan tibuai anga min hnawtchhuak leh ang a, thil tha a ni love. Hun te pawh min pek belh a ngai ang, a chhan chu thudik ringawt kan hrilh a ni mai. Dawt ka sawi miah lo. Thudik a ni ka sawi ni. Tlabung is the most neglected part where there is no S.D.O. & S.D.M haw is the most oldest. Mirethei hnenah pawisa a thleng ngai tlat lo a ni. Tlabung chu a ro ngawih ngawih mai a ni. Most people has begun poor day by day. Money does not reach to the rural poor people. Govt. should look into the matter.

In regard to this electricity, it is very sad. How many time I have spoken this functioning of Electricity. Pu Speaker, if I am not mistaken April thla leh May thlaah vawi khat pawh eng min pe lo a ni, engvangnge? What is this. Pawisa pawh kan pe ve thova, engvanginngge thingtlangah eng min pek loh. Tlabung people still remember what the honourable Minister has said. Tlabung a kan kal leh hunah 5 star hotelah kan riak mai ang. Not a single time till now term going to complete very soon, only two, three months is left. I will be please if honourable Minister could visit Tlabung 5 Star Hotel ah Tlabungah riak mai rawh se. Tlabung is a very hot place, without current how we feel. Let him go and stay and fell himself. How he will feel without current. It is a very serious problem. Aizawlah current awmlo !pawh kan hrethiam thei a, a lum vak lo. Mahse, Tlabungah chuan a lum lutuk current a awm loh chuan a problem tam lutuk lum begin Mipui pawh awm thei lo. If there is no hydro supply there is no current at Tlabung. Engvangnge diesel generator hi a function theih loh. Enge chhia, kha kha Chief Minister zahawm takin min clarify mai rawh se.

In regard to Public Works Department. After the formation of this Ministry not a single time Lungsen to Tlabung Chawngte maintenance was given. The condition of road is very horrible. Last time where I visited just before the Session two trucks full of food stock laying on the road side due to road blockage. Engvangnge? sorkarin clarify mai rawh se. Let Tlabung clarify. Tlabungah pawh kawng a chhe lutuk

a, engvang nge, maintenance pek a ni lo sorkarin clarify rawh se. All the things are so bad, the Ministry is not sincere enough to develop and that is why I clearly said that Tlabung is the most neglected part under this Ministry. When the new Ministry came into being we appreciate whatever the Minister said and within 3 years there will be self sufficiency in food and I will make Mizoram like Switzerland where is that Switzerland, I request the Hon'ble Chief Minister to come to Tlabung and stay one night without electricity, let him feel himself, Pu Speaker, min disturb chuan engtinngge ka sawi theih ang, hmannah Transport Minister zahawm tak kan hrilh, he House zahawm takah hian thudik chiah sawi tur, thudik sawi laia min tihbuai chuan engtinngge thudik kan sawi theih ang, chuvang chuan hei hi chu thain ka hre lo. One more thing Pu Speaker, previously sub-Treasury at Tlabung is functioning but unfortunately all the staff has taken away the government or by the government without any explanation. There is only one staff presently at Tlabung Sub-Treasury why? Engvang nge? Engatinge Sub-Treasury Tlabungah a function theih zawhna lian tak a ni mai. Pu Speaker, kan Chief Minister zahawm tak hi vawinah hian min lo clarify nghal rawh se. Ka lawm e.
