an ambitious programme for such plantations in Mizoram. The Department also proposes to take up schemes for Watershed Management Programmes under CSS for river valley projects like Singla and Langkaih River Valley Projects with an estimated cost of Rs. 2.70 crores and Rs. 13.36 crores respectively. The Mat River Valley Project with an estimated cost of Rs. 40.00 crores is under submission to the Ministry of Water Resources for consideration as an Externally Aided Project and allout efforts are being made to expedite a favourable decision by the Government of India.

36. The live - stock development programmes are of special significance to the weaker sections of the society and in the rural area. In view of this, the Department of Animal Husbandry and Veterinary will continue to take up measures to augment production of meat, eggs, milk etc., in the State. The annual par capita availability of eggs, meat and milk in Mizoram at the end of 1997 - 1998 fell far short of the national target of 62 eggs, 10 kgs meat and 76.65 kgs of milk respectively. Against this backdrop and with a total Plan outlay of Rs. 263.34 lakhs the Department has set a modest production target of 36 lakhs eggs, 7,000 tonnes of meat and 24,50,000 tonnes of milk from the current year. This corresponds to the annual per capita availability of 3.99 eggs, 7.76 kgs of meat and 27.18 kgs of milk as against 3.32 eggs,, 6.24 kgs of meat and 18.35 kgs of milk during last year. To achieve this target the Department like artificial insemination, Foot and Mouth Disease (FMD) and other vaccinations, production of pigs and piglets and sale of Mithun meat from its fodder farm and installation of family - type bio - gas plants. The Department proposes to adopt the same approach for the next financial year while laying greater emphasis on individual farmers and Cooperative Societies/Federations to achieve its primary target of producing 40 lakhs eggs, 10,000 tonnes of meat and 25,000 tonnes of milk.

37. Hon'ble Members, my Government has just completed about 3 months in office. You will appreciate that it will take the Government a little while to sort out the myriad problems and economic stagnation and take the State on the highroad of progress. Nevertheless, I would like to assure you that appropriate action will be initiated for full realisation of the people's hopes and aspiration for peace, harmony and progress and ensure the State's triumphant passage into the next century and millenium. I have covered only a few aspects and given a brief outline of the major policies and programmes of the new Government in the hope that it will provide you with a glimpse of its direction and philosophy of development. I sincerely hope and trust that all these will be discussed in greater detail in this session.
