2.00 PM

S P E A K E R : Kan discussion kan chhunzawm leh anga, a duh apiangin han sawi leh rawh ule.
Pu C.Thanghluna.

PU C.THANGLUNA : Pu Speaker, hei tun tum Sorkar hi tihdan thar leh danglam kan kal ang tih te kan hre thin a. Mahse, he House-ah pawh hian tihdan thar leh danglam engemaw tak hi chu kan nei ve awm takah pawh ka ngai a. Kan hriat theuh angin he Assembly House hi debate-na hmun chu a ni ngei mai a. Mahse, a debate zawng hlira kal hi kan ram tan hian a tha ber angem? Kan ram tana thil pawimawh tak, thil tul ni a kan hriat te hi kan Sorkar te hian an hriat theihna atana sawina hmun ni thei hram se. Chulaiah pawh chuan tihdan thar kan tih chuan, a system tihdan phung pangngai a hi thlak danglam deuh te pawh hi a pawl dawn emaw ni chu le tih hi ka ngaihtuahnaah a awm a. Mahse, tuna kan kal tawh chinah chuan debate ang ngau ngau hian a kal a, debate hi chu a nihna takah chuan thudik hrul, thudik chanve piah lamah, mahni lam tanna, chutiang chuan kan kal a. He kan ram rorelna hi kan ram tana chhen fakawm tak a nih theihna tur chuan, he House-ah hian tihdan thar a kan thlak vek te pawh a tha lawm ni tih ka rilruah a awm a.

Hei Bilkhawthlir bial MLA te an awmlo a, annin minute 15 an hman chuan keini chuan minute 30 kan hman loh chuan an sawi zah hi kan sawi thei hauh lo mai a. Mahse, minute bi a tuk kan ni si a, kan theih chin chin kan sawi anga. A hmasa berah chuan, kei chuan tihdan thar leh danglam deuhin General Discussion ni mahsela, ka ngaihpawimawh ve te kan Sorkarin a hriat thain ka hre tlat a. Mahse, kan Minister-te an awmlo deuh vek mai a, boruakah mai kan sawi dawn a ang. An lo thlen hun nghak ta ila, din kha kan chang leh lo mai dawn si a, a hmasa lama kan han thu a, kan Minister-te an awmlo erawh chu pawl ka ti hle a.

A hmasabera ka sawi duh chu, mitam takin sawi awmlo tawp in ti mai thei a. Mahni chungchang ang deuh hlek an han sawi hi chu a nuam lo hle a. Kan budget-a hi kan la siam love, Budget ruahmanna hi a la awm love, ti mah ila, hei Budget bu ruahmanna nikum same size kan ti dawn em ni, chu chu bu chhahpui peih vek a ni tawh a. Khami kha en lo thei kan ni lova, min pek tawh avangin khamiah khanin.

Hei tun tunah hian MLA lo tling thar engemaw zat kan awm a, keini ang rual tan chuan India ram khawpui hi keimahni sum chuan han hauh phak a awm lova, kan hmu ve thei dawn lova.

Mi rama mi ram rorel dante leh India ram ngei pawh nisela, Industry-te eng angin nge an tihdan tihte, an eizawna kawng hrang hrang va study tur pawhin mahni sumn kan kal theilo.

Chuvangin MLA tana LTC in lo tih thin kha thil tangkai tak, vanneih thlak tak ni ah ka ngai a. Amaherawhchu, kha Budget-ah khan LTC provision reng reng awm ta lo kha a pawh hlein ka hria, tuna MLA tling thar ho kha chu tunhma MLA ten an enjoy thinna ang kha kan enjoy pha dawn ta lova, pawh ka ti hle a. Ngaih-tuah that theih dan Budget tak tak siam a la ni love, tih a ni bawk a, Budget tak tak siam hunah chuan kha kha chu dah leh hram atan a hlawk thovanga. Hei hi sum a thlawna paihna mai mai chu a ni lovanga, kan ram hian hlawkpui nan a hmang anga tih chu ka rilruah a awm a ni.

Tin, kan sawi leh duh chu Home Guard tih kha kan en a, kan Budget-ah khan Home Guard-te hi an dinhmun a chhe em em a. A chhan chu Muster Roll-in fixed pay-in emaw Honorarium 1500/- emaw an hlawh ve a, lawmmana pek an ni ve a. PU NIRUPAM CHAKMA

:

Pu Speaker, first of all, I want to point out that the customary procedure in every budget discussion is that

there are some document which are unavoidable to be supplied to the Hon'ble Members in this House. This time, it maybe due to the new approach, for I do not know, what is the attitude of the Govt.,. The appendices and highlights of the achievement of various Deptts., are not supplies with the same. This is very unusual. I must say that this year why the absent Hon'ble Finance Minister has not given to us. So, this may kindly be clarified at the time of wind up. When we discuss the budget for the coming year, we must know what is the achievement made by the various Deptts.,. Unless the highlights are not given to us then the Members cannot participate properly and make proper suggestion for the coming year.

Number two, in the Governor's Address, if you look in page No. 2 para 6, it is said that

when the annual plan or plan size during this year it is 333 crores, how has this plan size been reduced to 248 ? While 55 crores has not been able to be contributed as it's matching share by additional resource mobilization, general provident fund etc.,.

Mr Speaker, sir, in the Finance Minister's speech page 1, para 3, the size of the annual plan is maintained at the level of 1998-99 as advised by the Planning Commission. It may kindly be clarified by the Hon'ble Chief Minister on which figure base is the present budget prepared, although it is an interim budget. Whether 333 crores plan size is maintained or the reduced figure of 284.55 ? The Hon'ble Chief Minister may kindly clarify

Mr Speaker, sir, when we talk of priority, it is very much clear on the part of Government, Agriculture and Allied Sector and some other Department like Power & Electricity will be given priority. But I would like to point out what is the policy of the Government in regard to development of Agriculture. In the other, as the Hon'ble Chief Minister had mentioned that the use of Bull-Dozer, the use of Tractor for the development of WRC land for giving self sufficiency in Mizoram, I think the Government Policy is not clear enough in this direction. Because by way of Mechanisation, I think the Government will be landing in a Match. When we talk of Agriculture, we cannot neglect cooperative movement. When we talk of self-sufficiency we cannot forget the cooperative movement throughout the world as the leading performer in this sector, especially in Marketing and Production. Nowhere in the budget speech of the Hon'ble Finance Minister and His Excellency, the Governor of Mizoram, could I find the movement of Cooperative Deptt., Cooperation mentioned. I am deeply convinced that this Government will neglect the very vital sector for our economy. Because, Cooperative sector is one of the most important sector for Agriculture purposes and allied sectors. Therefore, I will request the Hon'ble Minister to give a thought when we talk of Agriculture and Horticulture and allied sector, the cooperative movement must not be neglected. Because unless cooperative movements are involved in the Development of Agriculture and other sectors, the real result will not be coming. And, individually you may give assistance whatever the quantum may be 30/40 thousand or so.

But when it is utilised money he has no alternative because Govt. will not be giving three times. If we really want to develop agriculture our Co-operative Bank, Apex Bank must be used properly. Our MUCO Bank must be used properly. Unless this movement is integrated in the Govt. policy agriculture will remain failure and will be landing deficit in crores and crores of rupees.

Now, we take up utilising Buldozer, but individuals will not afford to purchase even on subsidy. Not to speak of Buldozer even Power-tiller which is more than one lakh rupees. So, unless this facility through Bank is provided to Co-operative sector, I think the farmer will give problems to Govt. Policy.

Mr Speaker, Sir, use take up Power and Electricity. Now, Hon'ble Deputy Chief Minister mentioned a number of projects which is in the guide line and some projects like Tuirial Hydel Project which is progressing. Mr Speaker, what is the situation in Aizawl more load shedding is there. Lunglei and other towns and even rural areas electricity is badly reaching even in rainy season. Everyday, every night, load shedding is very very frequent. What is the reason ? I think the Deptt. is not careful.

Mr Speaker Sir, regarding Rural Development Demand No. 48 I would like to suggest that when we construct EGA Road under DRDP. This road must be prepared and constructed with proper plan and estimates. Because, ultimately after constructing this road it will be transferred to PWD. Therefore, when the roads are constructed they should be constructed through proper plan and estimates and proper alignment because after spending so much money the road becomes useless.

Therefore, suggested while Rural Development Deptt. take up for construction under EAS and DRDP the technical person must be involved. If it is necessary let in the Rural Development Block Engineer may be deputed Engineer to be taken properly make plan and estimate and executed. So for not only during Government even unear also we had many Govt. in Mizoram the system of working or this road under EAS Scheme. We are agriculture link road etc. all these roads we want to make economic resources I think this road should be properly constructed with preparation of proper plan and estimate by Engineer. I would suggest Govt. to depute if necessary technical person in Rural Development Block. Industry is also sector and human recourse in Vital Industry is one of the leading component.

At the same time, Demand No. 32 Labour and Employment Deptt. I would like to suggest that ITI may be opened at Lunglei and Chhimituipui. Because, we have a very small ITI here where hardly 30/40 student could be admitted. So, if we want to give employment to the High School dropped out mainly class VIII & IX, training facilities whould be opened for them and for this reason, our Hon'ble Labour & Employment Minister may kindly initiate opening up ITI in other two districts Lunglei and Chhimituipui.

.....390/-

Sir, regarding the District Council, I would like to point out that Govt. has initiated cut to deduct money during this year. I would request the Govt. not to initiate in future because autonomous district council are autonomous and their funds are still limited in terms of their developing department. They have this year due to the intervention of the Hon'ble Excellency the Governor of Mizoram, government had not cut the money and otherwise they would have had a serious trouble. In future while we make economic 20% or 42%, the same thing should not be applied to District Council. Let us not disturb these Autonomous District Councils when the govt. considers the non-plan expenditure. At the same time, Chakma District Council was not given any amount this year in the R.E. whereas Lai and Mara District Council was given money. So, I do not know whether it is the fault of the Finance Deptt. or they had not taken notice in the R.E stage, there was no allotment. Therefore, the staff will not get any DA, while other deptt. staff will get. Not a single money was provided.

Sir, one minute, Mr Speaker
Sir, I think we do not know, we do not try to understand what is the achievement made during the last ten years. Now, we are here in the building. I was a member in the first time in 1997, that building was very small. During the last year it is a tremendous change, where the accommodation is now of 60 (sixty members) sitting capacity in the Legislative Assembly. How many building in the previous Govt. has constructed? Now, we don't need to go to Silchar but travelling by flight we are very proud of our Lengpui Airport. Similarly, lot of infrastructure development has taken place.

*speech not corrected.

Pu NIHAR KANTI CHAKMA : Pu Speaker, Thank you for allowing me to speak in the general discussion in the budget. First of all, the Hon'ble Chief Minister of Mizoram is his budget speech of Para 9 States that Mizoram has become one of the most peaceful state in the country but it seems that it is not that so due to recent incident in which 5 Police personnel have been killed by the underground. Therefore, our Police personal should be equipped with sophisticated weapons but the budgetary provision here is very low. In my constituency Law & Order should be maintain very strictly because of its sensuity. The border with Bangladesh is more or less free and there is a every possibility of free movement of bad people and anti-social element. Recently, what happen as per report available to me one person name Kanchha has been killed by un-identified person on 17.3.99 in the border, his dead body has been found near Malsuri Village. He is a business man and very frequently visit Bangladesh. Now, the investigation is going on and the people are harrassed unnecessarily in the name of investigation.

So, the concerned Deptt. are requested to see the matter and at the same time I would like to request you that MAP personal who had been posted at Malsuri. Some of them use to drink and crossed over to the Border and sometimes they get beating from the foreigners and they create problems, for the people living in the Malsuri Village. So, I would like to request the concerned Deptt. to see the matter personally that this things should not occur. And some poor people should not be harrassed in the name of investigation, it is not that I am criticising the Govt. whatever is true I am speaking in the House and Hon'ble Minister may see the matter.

....403/-

The Tlabung Constituency is the most backward educationally. Still now the Govt. High School has not been upgraded into 10+2 system. In most of the Primary School Teachers are very much inadequate. In some of the Primary Schools it is run by only one Teacher. Lungrang Private High School, Modern High School of Tlabung, Kolasury Middle School should be upgraded immediately in my constituency for the betterment of people.

S P E A K E R : Hei, dar 4 a ni tawh a, tunah hian Pu Nihar Kanti Chakma hi a sawi hnunung ber turah ngai ila. Chumi zawhah chuan Minister, Finance changtuin a khawikhawm in kan zo law law dawn em ni ? House-in a remti em ? Pu Nihar an sawi chunzawm rawh le.

Pu NIHAR KANTI CHAKMA : Pu Speaker, ka lawm e. Tlabung Constituency, the only constituency if I am not mistaken, which falls within the jurisdiction of two R.D Block namely - Lungsen and Bunghmun. It is requested that for the development of Tlabung, separate R.D. Block should be created and this is very much essential. During rainy season, it is very difficult to carry rice due to bad communication. Therefore, supply godown at Lungrang maybe established as early as possible. The supply of Electricity is very irregular at Tlabung and its surrounding Villages, I had received a complaint from the people of that whole month they did not get supply of electric. Even during my last visit, I requested the concerned JE to provide the electricity because I find it very difficult without electricity to work and to deal with the people. But instead he has given only once. I don't know what the Department is doing. Therefore, atleast division or sub-division of electricity maybe created at Tlabung. The Sub-Treasury building as well as the Staff quarter were constructed at Tlabung but it had not yet been functioning. Therefore, concerned Deptt., may be requested to see the matter personally and do the justice and needful.

Mr Speaker, Sir, in the para 3 of the Governor's Address, it states that Health for all by 2000 AD but the Budgetary Provision is very less. In Tlabung Civil Hospital there is no Specialist and PHC is not equipped with medicine even for emergency we have no one to attend to it. As it is very essential, important equipment should be

provided at Tlabung Civil Hospital like X-Ray machine, medicine etc.,. In my constituency PHE pipe in most of the Village have been completely damaged due to flood and heavy landslide. It needed to be repaired. Under BADP huge amount of money had been spent. But the construction of this jeepable road is quite bad. I must thank the new government as it propose to establish export intensive area at Tlabung, which will be great help for the development of Tlabung people and its surrounding Villages. But before opening border trade with a Bangladesh and to facilitate trade operation, necessary facilities like Tourist Lodge, Godown, Offices etc., should be establish as early as possible. Security should be tightened and Central Forces like BSF, Assam Rifles should be deploy to curb the movement of anto socials in the Border.

Lastly, regarding transport, that the MST which is plying from Lunglei to Tlabung is over crowded and it seems that it is very dirty. Concerned Department is requested to look into the matter and also I would like to request the concerned Department to ply MST from Lunglei to Chawngte (L) on everyday basis if possible. And at the same time I would like to request concerned Department PWD to see and take necessary step in metalling the Rolallung to Chawngte (L) route.

Thank you.

S P E A K E R : Awle, tunah chuan Chief Minister Finance changtu wind up turin i sawm ang.

Pu ZORAMTHANGA CHIEF MINISTER : Pu Speaker, hei kan Budget Discussion kan lo zo dawn ta a, ruahmanna tha tak i siam a, a lawmawm hle in ka hria a.
