NIHAR KANTI CHAKMA

: Pu Speaker, ka lawm e. Here in
regard to the District amend-
ment section 3, here I would
like to point out something

which is like a confusing. It stated that - 'provided that
the Village once to notified constituent of a Village
Council is liable to deletion or cancellation at any time if
Village become vacant as a result of migration'. In Tlabung
there are many small recognised sub-villages within my
Constituency. As per this amendment if situation arises or
demanding such deletion or cancellation for a reasonable
ground of administration, developmental or security nature
this will go against the wishes of the people. Therefore,
the Government should seek people's opinion of the concerned
villagers which is to be cancelled or deleted. Recently there
has been some proposala within Tlabung Constituency for shif-
ting Zohmun sub-village and Moneskata sub-village from the
jurisdiction of Tlabung V/C to Tipperaghat and Nunsuri V/C
respectively. This is against the wishes of the people, and
these two sub-villages has been under the jurisdiction of
Tlabung V/C since the Mizo District Council time. I have
submitted a representation to the Hon'ble Chief Minister
regarding this matter. The people are totally against the
shifting of these villages to other V/C area. In matter of
section 26 in the part III, If the Government is of the op-
inion that a situation has a risen demanding stopage or clos-
ing of any sub-village or Thlawhbawk or any sort of settle-

ment at any place, including those sub-village or Thlawhbawk already opened under sub-section (1). This is something I find confusing therefore if any action taken the villages concerned should be consulted before. Without their consultation if action is taken by the Govt. it will go against the wishes of the people. Therefore, Pu Speaker, I would like to request Hon'ble Minister to see this fact of the section 26 of Part III and in the Amendment it may include that part. Ka lawm e.

"Whereas, the Mizoram Legislative
Assembly considers that it is desirable to have a uniform
law throughout India for the regulation of Public Debt of
the States and for all matters connected therewith or inci-
dally and incidental thereto;

And whereas, the subject matter of
such a law is relatable mainly to the matter enumerated in

tution of India;

And whereas, Parliament has no power
to make such a law for the States with respect to the matter
enumerated in entry 43 in list II aforesaid except as provided
in Article 249 and 250 of the Constitution of India;

And whereas, the Public Debt
Act, 1944 is applicable for marketable loans raised by
Reserve Bank of India on behalf of both the Union and
the State Governments.

And whereas, it is felt desirable
to repeal the Public Debt Act, 1944 and replace the same
with a new Legislation viz. "Government Securities Act"
in order to enable the Reserve Bank of India to render effi-
cient and improved service to the holders of Government Se-

Now, therefore, in pursuance of
clause (1) of Article 252, this Assembly hereby resolves
that the Parliament be empowered to regulate by law matters
