PU N.K.CHAKMA

: Pu Speaker, ka lawm e. First of all I would like to speak about demand No. 14 - that is Police. Many Members has spoken about the failure of Law & Order in Mizoram. It is very unfortunate, and it is very regrettable that many unfortunate incident has taken place like Lawngtlai Bank rawk. Malkhana rawk at the same time Saiha jail incident. So, it clearly shows that there is something failure of Law & Order therefore, Pu Speaker, serious thoughts should be given for maintaining proper Law & Order.

Let us come to my constituency two serious incidents has taken place, one is, ambuse of BRTF Vehicle, when there were carrying huge amount of money. And another one is mercilessly killing of Bova, who is a village Chairman of within in my constituency. But culprit has not been yet brought to book. This is very serious incident which have been taken place in this year. Therefore, Mr. Speaker Sir, serious thoughts should be given for maintaining Law & Order. At the same time, I would like to speak that Police should be taught some discipline, during my visit to Tlabung, on the way for attending meeting one MAP he came and just salute me in a drunken behaviour, and at the same time asking some money. If they can behave with me like this, what will be the condition of the common people. They must be many more incidents like this. Therefore, serious thought should be given for maintaining Law & Order problem. And I would like to speak little bit about the Saiha Jail incidence. In which 19 Home Gaurd has been suspended. It is very regrettable that 34 Home Gaurds how can they resist such a

big strong crowd of about 500. It is very unfortunate incident and they cannot fire without getting firing order from the higher authority, and there were no magistrate also. Therefore Pu Speaker, I request the Hon'ble Minister, i/c Home to reinstate them.

And let us come to the Demand No. 15 that Tlabung fail has already been constructed and even fencing has also been done until now it has not been opened. Therefore, I request Hon'ble Minister to initiate action for opening of Sub-jail at Tlabung as early as possible for the maintenance of Law & Order.

And in regard to the demand No. 27, I thank the Hon'ble Minister who is propose to take up the Water Supply Scheme at Tlabung & which falls within my constituency. At the same time, I would like to speak about the Nunsuri, Nunsuri Supply Water Scheme which was sanctioned in the last budget. But till now, the construction has not yet been started. I spoke to the SDO concerned of PHE.....

.Therefore, Mr. Speaker Nunsuri is my Home Village. Therefore, I request the Hon'ble Minister to take up the matter, as early as possible, and in regard to the demand No. 25, Art & Culture, I as a representative of Tlabung constituency, I convey my sincere thanks to Art & Culture meet at Tlabung. It is very much appreciate that Tlabung being a place where different community live and from different community they they have shown their cultural items, I also request the Minister concerned to take this type of cultural meet and to organise at Tlabung for bringing closer contact with different section of the society. And at the same time in regard to the demand No. 51 tourism, that the construction of Tourist Lodge at Tlabung has been started since 5 to 6 years back. But, till now it is remain like incompleated and in the middle the construction has been stopped. Therefore, I request the Hon'ble Minister to take up the matter as early as possible with this few words, thank you, Speaker.
