PU NIHAR KANTI CHAKMA : Pu Speaker, ka lawm e. First of all, I would like to speak about Demand No.22, School Education. Pu Speaker, Education is consider backbone of our society, but if we see the budgetary provision in the budget. The Government is not giving the priority to the Department. Pu Speaker, if we see the condition of our School especially in Southern Mizoram it is very much pathetic. Let us speak about Tlabung constituency it is the worst. Tlabung constituency is the most backward place in education. Pu Speaker, this is the answer given by the Hon'ble Minister on 30th March, that Zirtirtu neih zat there are 62. Then out of 62, 11 holds within my constituency. There are about 34 primary School and there are only 61 teachers even if we share even two also within that.

And at the same time I have asked one question and reply given by the Hon'ble Minister that is starred question No.32. Hon'ble Minister has said Tlabung Constituency chungah Zirtirtu awm lohna a awm hriat a nilo Pu Speaker, I would like to request the Hon'ble Minister who is sitting here let him know doubt where there is school but there is no teacher in my constituency.

First, let me speak Kawrpui-chhuah, there is no teacher, second that is Sumasumi, there is no teacher, third, Tuikawi which fall within Buarpui constituency, there is no teacher. School naupang awm a. Mahse, Zirtirtu an awmlo. This is the condition of our School. I request the Hon'ble Minister to see the condition of the School in this regard.

At the same time, last week; I visited my constituency Tlabung, just during the examination, one teacher from my village has been transferred to Kawrpui-chhuah. What will be the condition of those Student who have lost one year, who will take the responsibility. This is the condition of our education system. I request the Hon'ble Minister to rectify this.

Secondly, last week also I also raise the question regarding the residential institution. The Hon'ble Minister has given the reply that he had not received Rs. 1 crore advance. Here there is document everything is clearly, it is clear that advance rupee 1 crore was release during 1997-1998 and may be transferred to tribal welfare education and Residential Institute, Lunglei. And intimated to this Ministry. After receipt of your intimation the money has been transferred to (TWERIL) Tribal Welfare Education & Residential Institute, Lunglei. Administrative approval will follow. Pu Speaker, this is the letter from Tribal Ministry, this is the documents but Hon'ble Minister said they have not received yet this. At the same time, there is also a letter written to L.C.Thanga, Secretary to the Chief Minister, Govt. of Mizoram. Hence it is also clearly state that persue state govt. has been asked to transfer 1 crore released by this Ministry during 1997-1998 to the society. I request the Hon'ble Minister to clarify while winding up.

Pu Speaker, at the same time I have also wanted to know and even our group leader has raise this question and reply given by the Hon'ble Minister, Mizoram chhungah recognised khua nisa, Primary School neilo khua a awm hriat a nilo. I also request you to know that the villages which were record by the Govt. of Mizoram but there is no School, no (1) Mauzam (2) Malsuri (3) Hmundo (4) Sumasumi (5) Hmunthar (6) Mauthang and (7) Ughaidasuri, all these villages are recognised and within the Tlabung constituency. I hope and request the Hon'ble Minister that he will provide Primary School for all those villages.

Let us come to the demand no.52, that is Road and Water Transport. Mr.Speaker, I would like to say here that previously during the Congress government that there is MST regular service from Lunglei to Tlabung. But now there is no service. The reason best known by the department. Then it is due to this reason that Tlabung has been cut off from the rest of the country. I mean Postal cut-off. I would to request the Hon'ble Minister to provide regular service from Lunglei to Tlabung.

And here, in regard of Water Transport ..... if I not mistaken this Water Transport falls within purview P.W.D. And I would like to request the Minister if impossible to introduce Water Transport system in my constituency. There is a feasibility.

And in regard to demand No. 51 Tourism. Pu Speaker, this is the ..... question given by the P.W.D. Minister that construction of Tourist Lodge, Seventeen lakhs 60 thousand and nine hundred fifty rupees. I think it is already been spent. But in Tlabung, I have not seen that Tourist Lodge.

Only there are some Beam/Post which had been standing but no Tourist Lodge. I request the Hon'ble Minister to clarify the matter.

Demand No.4, Administration of Justice the day before yesterday, Hon'ble Minister in-charge Prison has said that Sub-Jail at Tlabung will start functioning very soon. But at present there is no full place S.D.O. at Tlabung. A.D.C. is who is the in-charge of S.D.O. but he has not yet been provided first class Magisterial power. So how can we do justice to the people. Therefore, I request the Hon'ble Minister to look into the matter. Thank you.
