PU NIRUPAM CHAKMA : Pu Speaker ka lawm e. First of all I want to speak on Rural Development Demand No 43 I have submitted one Assembly Question regarding the Block level Vigilance Committee. The member of vigilance committee held by the different committees. If you see the answer I think that is how the Department functions. The reply we have been given in this August House it was unstarred Question 136 Please furnish the list of Block level vigilance committee Constituted by the Government of Mizoram on the Rural Development Department indicated clearly the number of sitting held of each vigilance Committee during 2000-2001. Pu Speaker hei hi vigilance Committee siam dan ani, SDO Civil chairman, all member of the Block level BLCC Member, sitting MP and MLAs of the Block Area. Member one, representative of the National Parties recognised by the Election Commission and represented in the state BDO as members Secretary, the member of sitting held by each block Vigilance and Monitoring Committees is indicated in the annexure-I anti a.

Tlangnuam Nil, Aibawk no Information, as per the replies, Reiek no Information, Thingdawl one time sitting, was there, Pullen Nil, Ngopa no information, Khawzawl one sitting, Khawlung One sitting East Lungdar One sitting, Darlawn Nil, West Phaileng Nil Zawlnuam one sitting, Thinsulthliah one sitting, Serchhip two sittings, Lunglei Nil, Hnantnial Nil, Binghamun no Information, Lungsen Nil, Lawngtlai one sitting, Tuiyang three sittings, Chawngte one sitting, Sangau Nil. Chawngte one sitting kna chu kohna ka nmu lo. Ka sawi duh tlat, ka hre lo an thut len thut loh midang, As per the Constitution of the Block level vigilance & Monitoriy Committee MLA is also member but when a sitting is held without I know, proper information I do not know how this kind of sitting is there, from this alone how the scheme are implemented, and how these are Monitor. Whether there is corruption or not would be clearly understand, Last year during the Budget session we have spoken almost all the non'ble members in the opposition Benches have spoken about the corruption prevailing in the Department in the Implementation of various centrally sponsore scheme under BAP what is the result? the same thing is going on I can give many example in my constituency.

Mr. Speaker, sir, Ngharum to Dolnori Road I have seen in the reply of the Hon'ble Minister here Rs.8 Lakhs was provided during this year. Not a single each of the road was constructed, this is the statement from the MLA of the Constituency. Please verify and fixed responsibility for it. Last year I have spoken that Rs 5 Lakhs was provided from Kamlanagar to Udarkhana. No work was done nor absent from the Government inspite of our statement, our information to the House, government is in active Because the mechanism for verification lies in the hands of the Block Level Vigilance and monitoring Committee which is not functional unfortunately. Many of the cases Hon'ble Minister may not know even if he may be bluff by different agencies but if this block level vigilance & Monitoring Committee functions as far the guideline then I think something must be there. Otherwise only speaking here will not do. We have given lot of information but till today there is no improvement Mr. Speaker sir, the Rural Housing schemes like under CCS, IAY I think the beneficiaries must be scrutinised properly And for your information Mr. Speaker sir, in the implementation of the schemes when annual action plan are prepared we are also suppose to be a member of the Vigilance Committee and every to say MLA are Completely kept in dark. even that the DRDA .. meetings last year we are this year infact we have been called but due to this emerging this Session we could not go, there must be sometimes fixed from the higher authority where the time is convenience for the MLAs to attend such meeting. Mr. Speaker sir, hei block scheme nreng nranagan corruption a tam tih kna kan sawi tnh a, nikuman pawn kan sawi a.

Chawngte Likan chuan hnathawk tute hei zawhna len chnanaa paknat an executive agency. A very funny thing is that when the government mentioned about the executive agency in many places, the executive agency all go there to BDO, SDO or other various Department, but in many cases, Supervisors given the works. And in most of the cases in Chawngte Assembly Constituency works are given to outsiders. As I spoken last year, even I am giving the information today, most of the works, the works are given to the outsiders, not the people from the block not even the villagers, the supervisors will go, givens sub-contracts, sometimes BDO have to do on behalf of the supervisor, Pu Speaker, Now I have decided since there is no result when we give the information in this House, there is no check and MLAs are been kept in doubt, we have no other option, but I am strongly thinking to make a complain in the central government Please don't say you blame us, If the Department function like this, the government function like this, if the Government don't implement the estimate as per the guideline, we have no option, but to make a complain in the Central Govt. in the concerned rural-Development Ministry. Mr Speaker, kindly please allow me one minute, Food & Civil Supplies chungchangah BPL selection chungchangah thil felio a awm ani.

Chu chu Complain kan siam ang a, knawngain takin min en sak sela, sei tak ka sawi lo ang a. hemi chungchangah yojna te Anapurna Yojna te, BPL Selection chungchangah an te MLA te ni sorkar hian engmah information an pe ngailo ani. Engtingge he scheme ni in kalpui dawn? Engmah lenkna kan dawngsilo, chuvangin elected representative ni he sorkar hian engmah a ngailo a ni lawm ni tin ni ka zawt dun ani.

Ka lawm e.

Pu Chairman, ka lawm e.

PU NIHAR KANTI CHAKMA : Pu Chairman, first of all, I would like to speak about the Demand No.43, Pu Chairman, as you know last year there was a huge noise during the Budget discussion and most of the opposition Members has walk-out during the passing of the Rural Development Department. Still the working of this Department has not been improved specially, in my constituency, Pu Chairman, it is very much critical to say that specially that schemes taken under BADP programme. Most of the work within my Constituency has been given all on contract system, as we know that Border area Development programme was started in the 7th plan with the objective of the lands development of sensitive area. Pu Chairman, I hope Hon'ble Minister will bear with me if I say that the BADP scheme is nothing but it is a programme for making an assets by the contractor. If we see the schemes that undertaken within my constituency, most of the work is undone but money has been withdrawn, it is very regretable to say that here specially, even the people has submitted a complain regarding the non completion of the work. From Tlabung to Chawilung, improvement of Jeep Road from Tlabung to Chawilung the amount 8.15 lakh the work is not done but the money has been withdrawn as said by the people of the locality. And there are many scheme which has not properly done if we go through the scheme and amount even the construction of approach road from BRTF road to P.S. Kalapani Rs.50,000/- but nothing has been done. The work has not been done. Even after reporting many times, the department had not rectified its works. It is very sad. And even it did not follow the proper procedures in the guideline, it clearly says that due emphasise should be given to the effective involvement local people in order to impire mutual trust and confidence between the government and the people. This is the guideline and instruction given by the government of India that we should follow the rules, but the government is not following the rules. This department is not following the rules.

To whom to blame ? should we blame to the department ? or should we blame to the concern Minister ? who will take the responsibility ? or is it being a opposition constituency, that the Government is not taking any care to develop my area ? And here, it is very true in the Bunghmun Rural Development Block, Rs.2 lakhs. Last time when I was visited they informed me they had given only Rs.7000/- where is the rest amount is of Rs.2 lakhs. I had spoken many times since the formation of this Ministry. I have been saying on that under my area, the schemes has not properly implemented. The department is not listening to me. To whom to approach ? This is due to this reason sometime I support the Hon'ble Members from Chawngte Constituency that if Government does not want to take any action regarding this matter, we are sound to approach the Central Govt. Since nothing has been done. The programme, it seems that for making money only I must say, Pu Chairman, that some villages in constituency falls within the Bunghmun R.D.Block. I request the Hon'ble Minister that those villages should be included in Lungsen R.D.Block for the better development of the area. And in regards to the Demand No.13, Information, I would like to request the Hon'ble Minister, atleast one Assistant Information Officer should be posted at Tlabung.

And in regard to the Demand No.16, that is Civil Supply, it is very sad to state that most of Retailer appointed by this Department are not capable for distribution of rice and the people had complain to me that BPL Rice after drawing from the Godown selling to Bazar without distributing to the people. This is the complain received from Chawilung. I hope the Hon'ble Minister in-charge will verify this and at the same time, I would like to know that supply Godown at Malsuri have been shifted. The matter is not known by me, I hope the Hon'ble Minister will do necessary arrangement regarding the matter.

In regards to the Demand No. 25, that is Art & Culture Department. During the coalition Ministry, the then Minister Pu J.Lalthangliana has inaugurated the Cultural Programme at Tlabung. The Cultural Programme is very important for National Integration, had been done. I demand the Art & Culture Programme should organised regularly for the purpose of National Integration.

PU J.LAWMZUALA : Pu Chairman, ka lawm e.
