NIHAR KANTI CHAKMA :

Chairman, ka lawm e. First of all, I would like to speak Demand No.90 Local Administration Department. I am very much

pained to speak that unfortunately incident which had taken place during the celebration of Chakma Bizu. It is due to the order given by the MNF VCP at Tuichang. Now I would like to know from the Hon'ble Minister, can MNF VCP issue a order for making Local wine. Tuichang MNF VCP issued order on 12, April this very unfortunate Pu Chairman.

Hei ka bial chhungah thil tam tak a lo thleng a, hei kan MNF VCP zahawm tak zu siam order pek avangin thil lo thleng kan tarlang e.

(i) Ni 12, April ah Pu Phunari hian a nupui a sat a, tunah Tlabung Hospital ah an enkawl mek a. (ii) Ni 13, April ah Pu Bengo leh Pu Khanongo an insual a ni a. (iii) Ni 13, April ah Bizu function lain tlangval pahnih Shokko leh Aruvindo an buai a, Nepali chu ni 16 ah Pu Bandusen hian a nupui Pi Zeni hi a vit a, a pawl lutuk. All these things happen, it is due to the order given by the MNF VCP Tuichang.

This is completely against the Principle of Total Prohibition. The VCP concern has violated the law. Therefore, Minister zahawm takin min chhang mai rawh se. Also very regretted to say that most of the work has been given on the contract basis. Even last time also, I have spoken that some Village Market has been constructed with only four GCF roof. The Minister did not take any action the name may be mentioned that is Lamtai and nothing has been done. In regard to the Demand No.28 that is Housing, the housing, that budgetary provision has increase, most of the Member has said that is unfair in regarding the constituting of Housing board even during the Congress time, that same Opposition Member has been given some quota, but now a day Opposition Member is not given any quota. My request is that the Hon'ble Minister to look in to this matter, it is not fair, we are being public representative without quota. It is a shame and in regard to the District Council Yesterday Hon'ble Minister had already clarified that, this is out of the purview of this House to abolished the Chakma Autonomous District Council.

Therefore, Government should take keen interest in developing the Chakma Autonomous District Council and also the other District Council it has been learnt that most of the sanction has been delayed by the concern Department. I request the Hon'ble Minister to look into the matter and the development money should be released money as early as possible. I also request to Hon'ble Minister to increase the Budgetary Allocation of all these District Council and in regard to the Demand No.47 Pu Chairman, I think if I am not mis-taken during the last Congress Government—

Industry Sub-Division at Tlabung have been inaugurated. But I have not found any office at Tlabung. I hope Hon'ble Minister will clarified this. Thank you.
