In this regard, I would like to make it very clear that my Government will not allow any part of Mizoram to be used by the underground elements as a safe haven or even for a temporary shelter. There will be no leniency on anti-social elements, such as armed militants, unlicensed arms holder and illicit arms dealer who pose threat to the peace and tranquility of our state. Drug peddlers will be dealt with severely. Foreign nationals who committed crime in Mizoram, on being apprehended will be handed over to their respective government agencies.
