Dear,

Pu Liansuama,

I am receipt of your letter U.O. No. MINRD 20/93 dated 24.1.'95 regarding plantation under Dampa Tiger reserve. I have this discuss the matter with my Officer of Forest Department. The Department has been allotted total target of 5,600 hectares plantation by Government of India on subsequently this target has already being distributed among various Division. You will appreciate that now the final quarter of Financial Year 1994-95 all the fund car-mark for the purpose has been already distributed among the Division and at this stage. It is not possible for Forest Department to allot fund for Dampa plantation.

However, the total cost of raising plantation of 310 hectares is likely to be 19.50 lakhs separate over a period of five year. The break shall be as shown below.

S P E A K E R : 1994-95 advance work 310 hectares a cost 222.71 lakhs. Cost of seedlings 3, transportation of seedlings from other division 0.925 lakhs. Total 3 lakhs, 1995-96, 1 (one) creation off kha 310 hectares, a cost 9.92 lakhs 1996-97, first year maintenance - 3.96 lakhs 1997-98; Second year maintenance 2.17 lakhs 1998-99; Third year maintenance - 0.98 lakhs Total : 19.43 lakhs.
