PU S.P.DEWAN: Hon'ble Speaker, I extend my thankfulness to the Government of Mizoram for its due consideration to the development of the Chakmas. Socially, economically and educationally too backward Chakma Community in Mizoram. But now are enjoying much more facilities since the Mizoram Union Territory came to being. In fact, during the period of Assam such facilities with a view to expending education among the Chakmas. This Mizoram Government has already provincialised three M.E.Schools received the deficit grant from the Government. It has to my notice that very recently is one High School set up at Nunchari Grouping for given higher education to the Chakma students and others. It is my lofty hope that the said high School will get adequate attention and financial help from the Government not only respect of education but also the Government of Mizoram is interested in giving necessary facilities to the Chakmas. I would like to refer the establishment of an agriculture Forum at Barapanchari District Council headquarters through this Forum the Chakma people are getting necessary help and technical advised from Officers. Resulting in increase of the production.

The P.W.D. is undertaking construction of road from Demagiri to South Lokicherra and from Demagiri to North Lokicherra which is a wealthy sign of government attitude to the development of Chakma Areas.

Moreover, the introduction of transport facilities from Lunglei to Demagiri, it is highly beneficial help to the people Western part of Mizoram.

One thing is that there is no regular transport because the Fairong bridge and Tuichawng bridge temporarily completed by the BRTF but during the rain season will swept away the strong current. I request the government to complete the said bridges as early as possible. So, that communication become normal.

The Demagiri Dispensary and Chawngtui, Barapanchuri there is no single Doctor as result the people are suffering from various diseases like Cholera, Malaria and Dy-sentary etc.

I call upon the Government to send Doctor very soon please.

The proposed three Saw Mills to be set up in Mizoram here my special request must be set up one at Demagiri and must be given to the local candidate. I would like to say Shri Karmamani Chakma applied for the Saw Mill and he capable to run for the same Honourable Speaker staff and all respectable MLA in the House should be sympathically considered one Saw Mill at Demagiri for the Chakma brothers.

No more, thank you.
