BUDGET SPEECH OF FINANCE MINISTER
SHRI LAIHMINGTHANGA, ON 15th MARCH, 1984

Mr. Speaker, Sir, I rise to present before the Assembly the Supplementary Demands for the year 1983-84 and Budget Estimates for the year 1984-85. This is going to be the last Annual Budget presented by the present Ministry. I would, therefore, like to thank the Speaker and all members for the co-operation and help rendered during the last four years of this Ministry. The implementation of the Developmental Programmes and Schemes and Administrative Organisation have been improving every year. There has been all round improvement in the activities of Finance Department as also those of other Departments in regard to financial administration. While the Annual Plan outlays have also been growing every year. I would like to particularly point out the substantial growth of non-plan provisions from the Government of India which are mostly of recurring nature during the last two years through the efforts of various Departments principally those of Finance Department. The over all performances and the achievements in terms of financial expenditure and concrete physical achievements have further improved. I am now presenting the Budgetary provisions for 1983-84, Revised Estimates 1983-84 and Budget Estimates for 1984-85 which are as follows :-

		(Rupees in lakhs)		
		1982	- 83	1983- 84
		B.E.	R.E.	B.E.
Revenue Accounts	-	6997.13	9329.59	7928.80
Capital Accounts	-	4190.78	4294.31	5043.71
TOTAL :		11187.91	13623.90	12972.51

The above figures indicate that the provisions for Revised Estimates 1983-84 have been significantly higher than the Budget Estimates. The gross difference is about Rs. 24.36 crores. The main reasons for this big increase in R.E. are given below :-

a)	Non-Plan	Rs.	1054.38
b)	Plan	Rs.	109.20
c)	N.E.C. Plan	Rs. (-)	6.28
d)	Central Plan/CSS.	Rs.	445.20
e)	Border Roads Works	Rs.	833.49
TOTAL :				Rs.	2435.99

The approved Plan outlay for 1984-85 is Rs. 40 crores. Of this amount a small portion is to be raised by us in the form of additional resources during the current year over and above our existing resources. This additional resources

to be mobilised during 1984-85 will include Animal Control and Taxation Act, implementation of Sanitation Rules, Taxes on Street light, latrine and drainage, house taxes, trade tax, implementation of Excise Act. mobilisation to be done by Transport Department, Forest Department and Soil Conservation Department which are expected to be at least Rs. 59 lakhs which will be significantly larger as compared to those of the past years.

The total outlay for N.E.C. scheme in Mizoram for 1984-85 is Rs. 440 lakhs which is almost double of the provision at R.E. stage during the current year which is Rs. 227.92 lakhs. The total provision in respect of the Central Plan and Centrally Sponsored Scheme is Rs. 96.52 lakhs against the financial year. The reason of smaller provision for B.E. 1984-85 is due to non-receipt of allocations for some of the scheme for the next year.

I would now like to briefly mention the achievements of various Departments during the current year and the programmes for the coming year.

AGRICULTURE DEPARTMENT

Government of Mizoram have given emphasis on the importance of Agriculture Department as the bulk of the population are taking out their livelihood from this sector. There are four Agricultural districts, nine sub-divisions and forty six circles in existence during the year under review. Instead of construction of small irrigation channels attached to individual farmers with temporary structures as on the previous years, the Department has taken up bigger irrigation projects in fewer numbers with cement concrete work and brick-lining for cumulative benefits of a group of farmers by bearing full cost of such irrigation projects by the Department. Altogether 31 irrigation projects have been taken up during 1983-84. Permanent dams and channels will be constructed so as to create durable assets. In case of land reclamation, the Department is working with 50% of fund for development of individual plots of land without distributing cash to individual cultivators. 900 hectares of land have been reclaimed during 1983-84 and estimates for the remaining areas have been finalised. Which will spread over 39 projects. With a view to improving horticulture and commercial crops, seed and seedlings of various plants like orange, pineapple, arecanut, coconut, cardamom, lentils, etc., have been supplied to the selected cultivators.

The Annual Plan 1984-85 with an approved outlay of Rs. 218 lakhs for agriculture and Rs. 75 lakhs for minor irrigation envisages production of rice to the level of 49,000 M.T. by double-cropping with fertilizers and high yielding variety of paddy seeds. More areas will be covered

by cultivation of wheat and maize as these crops have vast potential in Mizoram. Vegetable development will also be intensified in urban areas where ready local markets are available. Apart from distribution of vegetable seeds, distribution of vegetable packets for kitchen gardens and raising of seedlings are envisaged. With the progress of land reclamation, larger number of farmers have become interested in mechanisation for which 40 Tractors and 50 power tillers are kept for distribution through bank financing supported by seed money. A number of cane and maize crushers and oil expellers are also to be distributed to deserving cultivators on 50% subsidy.

SOIL CONSERVATION DEPARTMENT :

The Department has taken up cash crop plantations for demonstration and supply of planting materials for settlement of jhumie families. In respect of plantations of coffee, rubber and large cardamom, the Department has exceeded its target of 290 hectares by 9 hectares. Since jhuming causes heavy soil erosion in hilly terrains like Mizoram, the main objective is on terrace and permanent wet rice cultivations and cash crop plantations.

Various scheme covered in the previous year will be continued during 1984-85 with particular emphasis on permanent settlement. For this purpose, a physical target of 862 hectares has been laid down in respect of terracing for the benefit of 862 families and 461 hectares of cash crop plantations for 461 families.

FISHERY DEPARTMENT :

Activities in fishery development are concentrated towards Pisciculture in private sectors. During this year seven fishery demonstration farms are maintained 24 fish ponds covering 29 acres culture in 7 Villages, namely Vairengte, Bilkhawthlir, Buhchang, Chawnpui, Phaisen, Kolosib and Lengpui. 459 private Pisciculturists have been given subsidy in cash for construction and improvement of fish ponds. 7.63 lakhs of major-carp fish seeds have been supplied to private Pisciculturists at 50 % subsidised rate.

With the annual plan outlay of Rs.22 lakhs during 1984-85, priority will be given to completion of fish seed farms which are now under construction. It is proposed to start production of fish seeds, to the maximum extent possible from these farms to meet local requirements. The target for production of fish during 1984-85 is 2000 M.T.

as against the estimated production of 1700 M.T. during this year.

A.H. & VETERINARY DEPARTMENT :

With the current years plan provision of Rs. 119 lakhs the Department of A.H.&Veterinary has opened a new sub-divisional headquarters at Chawngte and action is in hand for opening another sub-divisional headquarters at Tlabung. There dispensaries and five Rural Animal Health Centres also have been opened. 130 Cows of high yielding varieties have been distributed and 40 families identified for assistance under hill Cattle Farming Colony. The hatchery at Selesih produced 25,000 chicks and the eggs produced from this farm played a vital role in supply of fresh eggs to Aizawl Town. A new duck farm has been started at Thenzawl and another one is being start at Mampui. Bio-gas development is another activity undertaken by the Department with the achievement of 50 units against the target of 39 during this year.

During the year 1984-85, the Department's annual Plan provision is Rs.128 lakhs which will be utilised for expansion and improvement of the existing establishments and continuation of on-going schemes.

COMMUNITY DEVELOPMENT DEPARTMENT :

The Department have an Annual Plan provision of Rs.36.73 lakhs during 1983-84 out of which Rs.24 lakhs has been utilised for completion of Vanapa Hall. The remaining budget provision has been utilised for social education, rural communication such as construction of play-grounds, indoor stadia suspension bridges, Village approach roads and purchase of musical instruments, sports goods and utensils for distribution to deserving organisations at 50% subsidy. With the amount of Rs. 160 lakhs sanctioned for I.R.D.P. by Government of India, 4035 families have been assisted upto January, 1984 including 418 youths who have received training under TRYSEM for a period of six (6) months in 16 different trades and 690 trainees undergoing training. More beneficiaries are being given assistance during the current year.

With an outlay of Rs.60 lakhs during 1984-85 on-going schemes along with rural development carried out during the previous year will be continued. More attention will be given to deserving voluntary organisations who are undergoing construction of Community Halls and Playgrounds.

CO-OPERATION DEPARTMENT :

The Department has a plan provision of Rs.40 lakhs for 1983-84. During this period, 5 new service societies, 3 LAMPS, 5 Industrial societies and 5 fishery societies have been organised which are the targets laid down for the year.

With similar budget provision for the year 1984-85, the Department will continue to organise more credit Co-operatives, marketing and Consumer societies, industrial, labour, farming, handloom and fishery societies.

FOREST DEPARTMENT :

With the financial plan allocation of Rs.185 lakhs during 1983-84, the Department have implemented 14,200 hectares of plantations, 2000 roadside plantation of trees and 40,290 nursery beds in 75 nurseries. Boundary line cutting of Rs.200 kms., demarcation of about 300 kms, for reserved forest field date collection for 800 kms and inner line forest boundary cutting of 20 kms. have been done. Under forestry education 22 Foresters and 53 Forest-Guards passed out from the Forest Education Research Institute during 1983. From December, 1983 the Department is now headed by the Chief Conservator of Forests.

During 1984-85, the Department will continue to maintain 26,739 hectares of old plantations together with another 15,000 hectares for which preliminary works have been done during the year.

EDUCATION DEPARTMENT :

An amount of Rs.209 lakhs is provided in the Annual Plan of 1983-84. Under 20 point programme, the targets of 2,000 enrolment of 9-14 age group and 1,400 in non-formal and adult education programme have been fully achieved. 533 Pre-Primary School Teachers have been absorbed as Government Primary Teachers during 1983-84. 17 Primary School and 9 Middle Schools have been opened in addition to the existing 803 Primary Schools and 360 Middle Schools.

Bunghmun and Mimbung High Schools located in the back-ward area Mizoram have been upgraded to deficit status. Five new High Schools have also been opened in addition to the existing 141 High Schools.

Notable achievements have also been made in the field of sports, physical education and youth adventure. Mizoram High School team reached semi-final in the first Sub-junior hockey tournament. Aizawl High School team won the Runner-up trophy in the Subroto Mukherjee Cup Football tournament held at New Delhi. Most notably Mizoram School team became the champion in badminton in the Mini-National School games meet held at Nagpur. Four teachers attended youth adventure course held at Himalayan Mountaineering Institute at Darjeeling and one of them stood first.

Under science promotion scheme, training in methodology and fundamental concepts in science and Mathematics were given to 117 Middle and Primary School teachers. 36 High School teachers were also given four months intensive training course in science and mathematics.

The annual plan allocation of Rs.290.35 lakhs for 1984-85 will be utilised for improvement of various scheme under the Department including construction of building for Museum for which Rs.1.00 lakh has been earmarked for the initial stage.

ELECTION DEPARTMENT :

The Department is dealing with elections to the Lok Sabha and Mizoram Legislative Assembly. Intensive revision of electoral rolls have been started from January, 1983 and it was finalised on 25th January, 1984. Sir, I would like to express the gratitude of this government for the sympathetic attitude shown by the Government of India in allocating substantial funds for the

Development of Mizoram. The mobilisation of existing resources and the additional resources to be mobilised during the year are our responsibility and I would like to appeal to the concerned Departments to spare no efforts in achieving the assigned tasks.

I would also like to appeal to the Members, officers and staff of this Government and the general public for their full co-operation, as in the past, to ensure that the provisions of fund are carefully, frugally and effectively utilised and that there is no waste or leakage of fund anywhere. Emphasis of this Ministry has been to provide basic needs of the public as far as possible and I would, therefore, request the co-operation of all to see that the Government programmes are implemented in such a way as to benefit the poor and the common people to the greatest extent possible. I would also expect the good wishes and co-operation of all to help the Govt. in implementing the programmes, projects and schemes expeditiously and unhindered.

It is also my appeal to the Members to render their help to the Government by giving wholesome criticisms, suggestions, recommendations and guidance in strengthening the administration and implementation of various programmes. The officers and staff are requested to realise their key-roles in proper and regular utilisation of fund, judicious and economic use of all available resources. I would particularly appeal to them to always follow the principle of financial discipline and also to give maximum attention and efforts in getting their requirements of funds from the Government of India wherever such cases arise.

I would like to conclude in expressing my appreciation to the officers and staff who had been working very hard in the preparation of the Budget Documents which are presented to the House today. The Government Press also deserve special praise and appreciation for Printing at a short notice most of the Budget documents this year in spite of their limited resources and capacity.

With your permission, Sir, I present the Supplementary Demands for 1983-84 and Budget Estimates for 1984-85 before the House for favour of consideration and approval.

JAI HIND.
