Minister in reply to Calling Attention Notice moved by Pu  
Ngurdawla, M.L.A. -

Mr. Speaker, Sir,

On 24th March, 1980, two vehicles belonging to BRTF were coming up from Silchar to Aizawl carrying bridge materials and ration etc. At about 12:20 hours while these vehicles reached KM stone 102 it was ambushed and fired at by 5 Armed Hostiles wearing green Uniform from the western side of the Jungle. As a result of this ambush the Driver received bullet injuries on his person. So few had stated that the Armed Hostiles were MNF.

On 20th March, 1980 10 to 12 Armed Hostiles carrying automatic weapons entered BRTF Camp located on the bank of Mat river 19 KM from Serchhip on Serchhip-Thenzawl Road. It was about 6 p.m. in the evening. They came from Nalla side and entered a kitchen where the BRTF labourer and his wife were present. They shot the labourer. His wife shouted for help she was fired at and shot death. The assassins then entered other Bases of the Camp and sprayed the same with automatic fire, killing three and injuring three others seriously. After killing and injuring the labourer the Hostiles set the Camp on fire completely gutting it. Dead body too were burned and charred. Other inmates of the Camp managed to escape and hide themselves in the jungle. Sources had stated that the killers were all MNF. At about 7:00 p.m. on 20th March, 1980 two Armed Hostiles entered the house of Shri R.C. Dutta, a Science Teacher of Chhiahtlang High School and shot him death. After killing him the assassins took away Transistor and some medicines. The entire incident took place in front of Pi Thanmawii, a common law wife of Shri R.C. Dutta, A hand written note were left behind by the assassins stating all non-Mizos must quit Mizoram. Action has been taken against him for violating above MNA. Sources had stated that the assassin were MNF.

On the night of 15th March, 1980, on Mr. S.R. Roy working as a Science teacher in the Private High School of Kepran was taken out of his home and beaten by some hard objects. As a result of which he died. The incident took place between Kepran and Sawleng. During the examination of the spot of incident a pamphlet was found near the body in which it was written that Violators of the Quit Mizoram Order issued by the Underground will suffer like this. Sources has stated that the assassin were MNF.

All efforts are being made by the Government to apprehend the culprits. To this end intensive investigation is in progress. In fact one had been arrested already. Various organisation both political and non-political have condemned these act of violence and senseless killing. In conclusion, I wish to take this opportunity of reminding the Hon'ble Members of this House of the following aspects of these incidents.

Firstly, the student and parents need Science teacher, these Science Teachers had been brutally killed. The Mizo people need good roads and the BRTF workers are making roads for us. These road workers had been brutally killed. Hundreds of people in the interior are in need of food supply. Movement of food supply is hampered as the result of these brutal killing. Our forefathers were chivalrous people. They did not kill innocent unarmed people. The present killing of innocent unarmed people had brought shame and disgrace upon the Mizo people. We, the Mizo people are all Christians. These brutal killings are against our Christian faith. You, the Hon'ble Members are the elected representative of Mizo people and have collective responsibility to guide the Mizo people for their well-being progress and prosperity. I appeal to you all to discharge your responsibilities with due sense of propriety and humanity. Keeping in mind always our Christian faith as a guide line. It is heartening, it is very heartening these Hon'ble members of this House had in the recent past expressed strong disapproval of these act of violence and senseless killing. Your voices certainly carry weight. I appeal to you once more to continue to cooperate in this regard. Thank you.
