Question 60. (a) Whether the Govt. is aware of the fact  
that the over-all achievement in collection of  
various kinds of taxes in Mizoram is very much  
unsatisfactory as at present?

(b) Is it a fact that out of a total  
expectable revenue of Rs. 3,14,929.00 for the year  
1978-79 within Mizawl District Rs. 1,07,498.00  
only could be collected?

(c) If so, what is the reason for falling  
short of the collection amount from the estimated  
receipt?

(d) Is it a fact that collection of  
professional tax within Mizawl District alone is  
not at all satisfactory? Whether this professional  
tax is collected from, the Business circle and  
from Govt's Contractor?
