1. The Eight and Budget Session of the Third Legislative Assembly having been summoned by the Administrator, Union Territory of Mizoram Under Section 6 of the Union Territories Act 1963, the Business Advisory Committee met twice on March 2, 1982 and March 11, 1982 in order to recommend the time that should be allocated for the discussion of the stage or stages of such Government Bills and other Businesses.

2. The Committee recommends that the Session be held upto Friday, the 26th. March, 1982 covering a period of 16 days. The number of days on which the House may actually sit will be 11 days.

3. The Rules of Procedure and Conduct of Business in Mizoram Legislative Assembly provides that every Friday during a Session shall be allotted for Private Members' Business unless the Speaker otherwise directs. If this a Holiday or if there is no Private Members' Business or may allot this day for disposal of Government Businesses. The last Friday during the Session i.e. Friday, the 26th. March, 1982 may be allotted for voting on Demands for Grants and in lieu thereof Wednesday, the 17th. March, 1982 be allotted for Private Members' Business.

7. On account of the intimation given by majority of the Members that they would not be able to attend Session on Friday, the 12th. March, 1982, the Speaker announced that there will be no Session on that day and adjourned the Sitting till 10:30 A.M on Monday, the 15th. March, 1982. Thereafter on a request made by a Member, the Chief Minister declared Friday, the 12th. March, 1982 as a Public Holiday. Under these circumstances the Committee met in the Speaker's Office Chamber to consider if there is a need of modifying the provisional programme of Sitting chalked out by the Committee on 2.3.82. The Committee, after careful consideration is of the opinion that there is no need of making any modification except that questions put on the list of questions for Friday the 12th. March, 1982 already issued to Members will be shifted to Monday, the 15th. March, 1982.

I hope the House may adopt the recommendation of the Committee.
