# PREFACE

In a representative democracy like that in India, the elected representatives play a pivotal role for the deliverance of transparency and accountability - a key ingredient for good governance. The representatives form a direct link between the people and the government. Therefore, it is important to make available the knowledge of the elected representatives to the electorate.

In order to make available in detail about the elected representatives in Mizoram and throughout India; the Mizoram Legislative Assembly Secretariat is publishing a “Who’s Who” of the honourable Members of the Mizoram Legislative Assembly.

The Mizoram Legislative Assembly has been striving to achieve excellence in the Legislative practices, procedures and proceedings in conformance to its own rules and the various conventions of Parliamentary Democracy firmly rooted in the Constitution of India. Therefore, without a doubt, Mizoram has set great examples for the Nation in this regard.

The General Election to the Ninth Assembly of Mizoram was held on 7<sup>th</sup> November, 2023, and the Assembly was constituted on the 12<sup>th</sup> December 2023. The Ninth General election witnessed a single party securing the requisite number of members to form the Government. The largest party Zoram People’s Movement formed the government with 27 (twenty-seven) members. There are 10 (ten) members from the Mizoram National Front, 2 (two) members from the Bharatiya Janata Party and 1 (one) member from the Indian National Congress.

This book contains brief life sketches of the members of the Ninth Mizoram Legislative Assembly. The sketches have been prepared on the basis of information received from the honourable Members. The information has been updated up to the time of sending the manuscript to the press.

I hope this will be of great help to those interested in the study of Mizoram polity and society and that this may be a ready reference material to the honourable Members, research scholars and the public. I am indebted to all the Officers and Staff who are behind this brilliant job.
