Act 16 of 1955  
as adapted in  
Mizoram**

42. The Assam Khadi and Village Industries Board Act, 1955 as adapted in Mizoram is hereby repealed.

### STATEMENT OF OBJECTS AND REASONS

The Mizo Hills district which was one of the districts of Assam was made the Union Territory of Mizoram with effect from 21. 1. 1972. The development of industries, namely, major industries, small scale industries, Khadi and Village Industries and other cottage and tiny industries have been looked after by the Government of Mizoram in the Industries Department. The prospect for development of major and small scale industries in Mizoram is not immediately very bright due to lack of essential infrastructure like electric power, technical know-how, communications, etc. in the rural areas. There are number of very small industries in the rural areas potentials like bee-keeping, oil extraction, gur making, carpentry, blacksmithy, cane and bamboo works, collection of medical plants, fruit preservation, village leather works, fibre processing, etc. These tiny and cottage industries in general term are called "Village Industries" by the Khadi and Village Industries Commission. It is also found necessary to encourage the production of local clothes 'Tual-tah Puan' which is also known as 'KHADI' at the National level. The Khadi and Village Industries for which raw-materials are available locally can be developed even without electrical power, using manually operated tools and machineries. A small electric power, if required, will be sufficient for the purpose. The development of these industries will generate more employment, more regular income and local products to meet the local requirement.

In view of above, there is a need to have a Board called the "Mizoram Khadi and Village Industries Board" to look after the Khadi and Village Industries. If the Board is formed it will be possible to take advantage of financial assistance that can be made available from the Khadi and Village Industries Commission in addition to the financial assistance the Government of Mizoram is able to render within each resources.

Hence the Bill.
