GOVERNMENT OF INDIA
Ministry of Health & Family Welfare
(Department of Family Welfare).

New Delhi, the 21st July, 1986

Dear Shri Trivedi,

We have been considering the question of constitution of Popular Committees at State, District and Block levels in the States/UTs. for some time past. This has been discussed in various fora by the Deputy Minister for Family Welfare and after due consideration it has been decided to constitute Popular Committee at State, District and Block levels. The principal objective of the scheme is to ensure adequate involvement of peoples representatives and other important groups besides key officials in these Committees to ensure greater Community participation and involvement of voluntary organisations. We also expect that operationalisation

of the scheme will streamline the process of planning, monitoring and implementation of the programme at all levels and coordination between various governmental agencies and departments, thus enabling us to generate an environment more conducive to the acceptance of the small family norm. I enclose a copy of the scheme proposed to be introduced along with this letter.

2. The Committee at State-level will be established by the State Government those at the district-level will be finalised by the State Government on the basis of the proposal received from the District Collector. The block-level committees are to be finalised by the District Collectors. We expect that you will be able to operationalise the scheme and constitute all the committee in your State latest by 31.8.1986.

3. No financial assistance will be available for State and Block-level committees. However, for the District level committees, a lump sum annual grant of Rs. 25,000/- will be provided for each district-level committee. We are separately releasing the amount for grants-in-aid for District-level committees in your State.

4. It has been decided that the scheme of Popular Committee will be sanctioned for a period of 15 months from the date of issue of this order and its further continuance will depend upon the evaluation of the scheme to be carried out after 12 months.

5. I would request you to take immediate action to set up the committees and make them fully operational. A report confirming constitution of the committee at various levels may please be sent to this Ministry by the 8th September, 1986.

6. Receipt of this communication may kindly be acknowledged.

With regards,

Shri Dev Trivedi
Health Secretary,
Govt. of Mizoram
Aizawl

Yours sincerely,
