Justification : Due to increased Forest activities creation of Chawngtui Range is felt extremely necessary. The major rivers like Kolodyne and Tuichang are the sources of earning Forest Revenue by way of Fishery Mahal, sands Mahal and Bamboo Mahal etc. This could not be made effective so long due to absence of Forest Administrative unit in the area.

No additional fund will be involved for creation of this new Range and no additional Staff components will also be involved.

As a result of bifurcation of 3 (three) Ranges re-notification of Range boundaries in respect of N. Vanlaiphai, Cherhlun and Thingsai Forest Range will be required.
