PERSONAL ACCIDENT SOCIAL SECURITY SCHEME FOR POOR FAMILIES
ANNEXURE—D

GUIDELINES

The personal Accident Social Security Scheme of Poor Families was announced by the Union Finance Minister in his budget speech in March 1985. A total of 100 districts in the 22 states and 9 Union Territories are 78 district spread over 16

15th Aug/85.

Purpose of scheme:

The purpose of the Scheme is to provide relief to the poor families in the event of the accidental death of its earning member. The deceased must have belonged to the age-group of 18-55 years and the death resulting from the accident should have occurred within six months of the accident. The maximum amount of relief under the scheme is Rs 3,000 is receiveable by virtue of any other law/status e.g. Motor vehicles Act, Solatium fund Employees State Insurance Scheme, workmen's Compensation Act. etc. If however, the amount of compensation receiveable from these sources is less than Rs, 3,000 the difference between

Rs 3,000 and the amount receivable under the statutory compensation, if payable. Compensation is not payable when death arises or results from breach of any with criminal intent. The scheme covers fatal accident as defined in the scheme accruing within the jurisdiction of the covered district, whether the deceased member of the poor family belonged to the covered district or not

Definition of 'Poor Families'

"Poor Families" for the purpose of the scheme include all landless labour households, households of small farmers, families of traditional craftsmen, household of those engaged in the urban informal sector in petty production or trade or transport or in domestic and other services, whose total annual family income from all source does not exceed Rs 5,000. The income limit of Rs 5,000 will be computed in respect of the income of the family consisting of wife, husband and dependent children.

BENEFICIARIES :

It is responsibility of the Claims Enquiry-cum-Settlement Officer (CESO) to determine the beneficiary. The compensation amount is payable to the surviving husband or wife. In case, the husband/wife is not alive, the amount is payable to the dependent children. All the dependent children will be entitled to equal share and the payment to minor children will be made in the form of Post Office deposit. In case, there is no surviving husband/wife or children, then the compensation is payable to the surviving parents. In case, there are no beneficiaries in any of the above categories, the claim is not payable.

PROCEDURE FOR FILING OF CLAIMS :

CESOs not below the gazetted rank will be appointed by the State Government in each of the covered districts. Application for compensation in the prescribed form is to be made to the concerned CESO. The time limit for filing the claim is 45 days if the deceased belonged to the same district and 90 days if the deceased belonged to another district. The application form will be available with the CESO. The application is to be made in duplicate. One copy of the same will be given to the designated Office of the concerned Insurance Company which will be the Divisional Office nominated to administer the Scheme,

PROCEDURE FOR SETTLEMENT OF CLAIMS :

It is the responsibility of the CESO to receive the application, call for reports from Police and Medical authorities including post-mortem report, hold enquiries, satisfy himself that the deceased belonged to the poor family and that the Claim is otherwise payable under the Scheme. Where there are more than one claimant, the CESO should determine the rightful claimant (S). He should then prepare the report in the prescribed form and give the same to the concerned Divisional Office for payment. In case, the State Government/Union Territory wishes to make the payment initially to the beneficiary and get the same re-imbursement from the Insurance Company, then the CESO will forward the report and documents to the concerned Department of the State Government/Union Territory. The State Government/Union Territory will forward the documents to the concerned Divisional

Office at the time of seeking reimbursement, Such report should be sent to the concerned Divisional Office for repudiated claims as well for the purpose of its record.

MODE OF PAYMENT :

Once the payment is authorised by the CESO and the completed documents are received the payment will be made by the Divisional Office either directly to the beneficiary/Beneficiaries by cheque or Money Order (Less M.O.Commission) or to the State Government/Union Territory by way of reimbursement. In the second alternative, the State Government makes the initial payment to beneficiary/beneficiaries. The State Government should notify at the commencement of the scheme which of the alternative it prefers.

The Companies must immediately follow up with the State Governments and Union Territories to get the notifications regarding the Constitution of the District - level and State-level Consultative Committees issued. They must also obtain relevant particulars such as the Department in the State/Union Territory to administer the Scheme, the mode of payment (Whether the company to pay to the beneficiary directly or to reimburse the Government for payments made by the Government) etc. The particulars already available with the G.I.C. are contained in the attached statements. These may also be got confirmed from the State Governments/Union Territories.

The Companies must also notify the names of the Divisional Managers and Regional Managers to be on the District level and State level Consultative Committees respectively. They will act as conveners of these Committees in their capacity as Member-Secretaries. These names must also be forwarded to the G.I.C. immediately.

ROLE OF THE DIVISIONAL OFFICES ;

The Divisional Offices which will be administering the Scheme in the covered districts will have a pivotal role in the efficient operation of the Scheme. With this end in view, they must establish channels of communication with the CESO's.

It will be responsibility of the administering Divisional offices to make available the claim form and formats of CESOs' report to all the CESOs formats of these forms and the Discharge Vouchers are enclosed. If necessary, these forms may be got printed in the regional language and English. The applicants must file the claim forms in duplicate using carbon paper, one copy of which will be for the Divisional Office. The Divisional Offices must make arrangements to collect copies of the complete forms from the CESOs.

The Divisional Offices must maintain a claim Intimation Register and a Claim Settled Register. The formats of these registers are appended in Annexures V AND VI. The claim intimation Register and CESO will form the basis of the Claim Intimation Register and CESO's final report will constitute the basis of the Claim Settled Register. The Claims Settled Register will also cover the rejected claims. The registers should be written in English. The registers may be printed in loose leaf form in four copies. The original of the registers for each month must

be forwarded to the G.I.C. before the 15th of the following month. One copy may be sent to the Regional Office for record and remaining 2 copies retained at the Divisional Office. All the report and account books required by the Divisional, Regional and Head Offices of the Companies will be produced at the G.I.C. on the basis of these registers.

Where more than one claim form has been received in respect of the same deceased, CESO will consider all such applications together and send them to the Divisional Office in one lot marking at the top as a single claim with more than one beneficiary.

The Divisional Offices should follow up pending claims with the CESOs. The Divisional Offices must make payment of claims authorised by the CESOs within a week provided the paper are complete.

In the case of rejected claims, the Divisional Offices must enter full details of such claims in the Claim Settled Register giving the reason for rejection in the column provided.

Whenever a Claim is rejected or settled, suitable entry is to be made in the DO's copy of Intimated Claim Register. This will facilitate the follow-up of the outstanding claims with the CESO.
