Lalawmiana MLA theihluh a ni a. 53 of Rules Procedure and of Conduct of Business in Mizoram Legislative Assembly. Sir, Under rule cited above. I beg to give notice of my desire for raising discussion on the matter of urgent public importance. The issue I want to raise for discussion is summarised below.

...

(1) MP Shri. Lalduhama has made a Press Statement on 7th 7. '87. that the Government of Mizoram has committed irregularities in the appointment of organising agent for Mizoram State lottery and as a result the State has lost more than 120 lakhs.

(2) The General Secretary of Mizoram Party Youth Joint Action Committee has submitted the memorandum to the Hon'ble Chief Minister on 5th August 1987 requesting him to resign on ground of alleged committee of irregularities in the appointment of organising agent for the state Mizoram State lottery.

(3) The ruling MNF Party headquarters in reply to the alleged irregularity in the appointment of the organising agent for Mizoram lottery has issued Press Release. But the allegation levilled against the government on the item on the issue have not been adequately related.

(4) The issue has become a scandal and the public has become disillusioned. It is democratic rights of every citizen to know the truth in this lottery deal.

(5) Unless the scandalous atmosphere is started clear the public have reason to believe that there is corruption in high places and public money has been misused.

(6) It is therefore a political as well as administrative imperative to steer clear the desired atmosphere through open discussion of the issue in the House, so that the public may know the truth. It is also necessary that the alleged irregularities in the lottery deal be properly investigated by the 931.

Your Faithfully,
F. Lalramliana
