in Mizoram for Kerosene and other petroleum product, and  
so far as MIZOFED is concerned Kerosene Oil has been made  
available to the rural people.

Pu ZOSIAMA PACHUAU : Supplementary Question what the people talk in the town and in the Village is that during this Ministry there are five things which are scarce -(1) Rape seed (2) Kerosene oil (3) Money (4) Rice (5) Elected Village Council so, why do we say that we still could provide this Keroene oil to the rural people; Now, in all the places even in the town at Aizawl and Lunglei, champhai, Kolesib we don't get sufficient supply of Kerosene oil what are the reasons ?
