as it has been established that

consumption of tobacco in a major health hazard which causes various types of cancers, cardio - vascular and respiratory diseases and other similar ailments. Out of the estimated three million tobacco related death in the world today, about 0.8 million deaths take place in India. This major health problem can be prevented if consumption of tobacco related products are reduced. There is at present no comprehensive and uniform legislation throughout India discouraging the use of Tobacco and Tobacco products, in any form, providing for complete ban on all form of advertisements in respect of Tobacco related products, banning of Tobacco smoking in public places, printing of statutory warning in the form of slogans on all packages of Tobacco and tobacco products, ban on the sale of tobacco or tobacco products within specified distance from educational, medical and other institutions and for all matter connected therewith or ancillary and incidental thereto, it is necessary to enact a comprehensive law proceeding for all matters referred to in the above paragraph. The subject matter of such a law, except segrette which is relatable to entry 33, list III concerned of the seventh schedule to the constitution of India and parliament no power to make law for the state with the respect to the aforesaid matters except as provided in articles 249 and 250 of the constitution of India. It appears to this Legislative Assembly/Council to be desirable that the aforesaid matters should regulated in the the state of Mizoram by Parliament by law.

Now, therefore, in exercise of the Power conferred by clause (1) of Article 252 of the constitution of India, this House hereby resolves that a comprehensive and uniform Legislation to discourage the use of tobacco and tobacco products, in any form, providing for complete ban on all forms of advertisements in respect of tobacco related products, banning of tobacco smoking in any public places; printing of statutory warning in the form of slogans on all packages of tobacco and tobacco products, ban on the sale of tobacco or tobacco products within specified distances from educational, medical and other institutions and for all matters connected therewith or ancillary and incidental thereto should be regulated in the state of Mizoram by Parliament by law.
