(a) How many times have the Consultative Committee of Tpt. Department met since Jan/1994 up to date. (b) What were the subjects/issue discussed at such meetings ?
(c) What action had been taken on those suggestions/given by the Consultative Committee.

PU LAKHU HUICHHO : The Consultative Committee of Transport Department met once on 6.1.1995.

The subjects/issues discussed are about (i) the proposal for repair of all Government Vehicles at Central workshop, study of how workshops are being managed and run by the neighbouring States. (ii) the proposals for transport of Passengers and goods Tax ~~xxx~~ from Taxation Department to Transport Department.

(i) In pursuance of the suggestion of the Consultative Committee, a team of 3 Officers of Transport Department visited 2 neighbouring States Capitals (Assam and Meghalaya), to study how Workshops are being managed and Road Transport Corporation run. As seen from their findings implementation of proposals (b) (i) above is not so encouraging.

(ii) In response to Transport Department's proposal, the Mizoram Resources Mobilisation and Taxation Enquiry Committee recommend on 30.8.1995 that as a short term measure, the Passenger and Goods Tax may continue to be administered by the Taxation Department until the revival of Sales Tax in Mizoram and that thereafter it may be transferred to Transport Department.
