Pu B.D. CHAKMA : Pu Speaker, ka lawm e. Pu Manohar Parrikar chungchang hi ka han sawi ang a. Pu Manohar Parrikar Ji was born on 13th December 1955 into a modest Marathi family. His full name is Manohar Gopalkrishna Prabhu Parrikar. His father's name is Gopalkrishna Parrikar and mother's name is Radhabai Parrikar and his wife's name is Medha Parrikar who also died of cancer in the year 1999. He has two sons. He was a B.Tech graduate from IIT - Mumbai. He was a trained metallurgist.

Initially Parrikarji had set his mind on establishing his business, he had set up a hydraulics factory with a Muslim partner and was reluctant to take

the political plunge. But beginning with Subhash Velingkar, his mentor and RSS guru, handpicking him as the future face of the BJP in Goa, his political legacy speaks for itself; Chief Minister of Goa on four occasions and the first Goan to serve as Defence Minister of India. In Delhi, where he was a Defence Minister from 2014-2017 he famously announced that he would break the nexus between middle men and arms agents. He was also at the helm when the Indian Army conducted the cross border surgical strike of 2016.

Month before his death, ten clerics reached the BJP headquarters to read the Koran for him and the state's Archbishop Filipe Neri Ferao appealed to the Catholic community to pray for him. Such was his pull, till the end, as one of the few BJP leaders known to have secured a secular image.

He died on 17th March 2019 at his son's home in Panaji at the age of 63 years due to pancreatic cancer.

His untimely death is a great loss for our country and his service to the nation will be remembered forever.

I, on behalf of the people of Mizoram, convey my deep condolence to his bereaved family. Thank you hon'ble Speaker Sir.
