**Sub:** Proposal for setting of a Campus of Mizoram University at Lunglei, Mizoram.  
**Ref:** UGC Letter F.No. 61-10/2012(CU) dated 2.9.2013

Dear *Shri Singh*

Seasonal Greetings from Mizoram University!

We are proposing to set-up a new campus of the Mizoram University at Lunglei- the largest town in southern region of Mizoram.

As is evident from the detailed proposal enclosed herewith, southern Mizoram constitutes ~40% of the geographical area and accounts for ~30% of the population of the state. The region has a long border with Myanmar and Bangladesh and shall be a hub of activities concerning **Look East Policy** of the Government of India. Several settlements in this region are remotely located thus highly inaccessible and nearly two days are required to reach the capital city of Aizawl. Frequent landslides in the region further deteriorate the communication problem. Keeping above in view and also the growing public pressure, the Academic and Executive Councils of the Mizoram University resolved for setting up of a campus in Lunglei to provide accessibility and equity to the disadvantaged populace of the region. The issue of taking over of Govt, Lunglei College as a constituent college of the Mizoram University shall be deliberated in the Academic and Executive Councils of the University.

To begin with we are proposing to start PG and PhD programmes in ten disciplines including those six which are not currently offered in the main campus at Aizawl. The remaining four are those disciplines which have a high demand ratio.

It is requested, therefore, to kindly process our proposal for according approval of the Ministry.

With kind regards,

Yours *Sincerely*

Enclosure: 3 (three)
